Quran 27:82:-And when *word of end will be ready upon them*, We will bring out for them **a beast from earth (Daabbat)** speaking to them, as mankind were not believing in Our **Signs** (Jesus the Mahdi). (**Note**:-End's 10 big "**Signs (Aayaats)**" of hadiths have 2 main alive bunch of **signs (Aayaats)** as Jesus of 2nd coming the Mahdi who is rejected by people & his opponent Maseeh Dajjaal the Antichrist 666).

Ignorant fools standing on hell door now say like this, "How come such big matter Daabbatul Ard of Quran 27:82 is Angel Jibraeel (a) in Peacock form, speaking for you the Mahdi, Are you mad, joking or fooling others? Why Jesus Mahdi need Peacock to certify him? We know it's going 2B from Makkah Safa hill during world's end with Moses (a)'s stick & Solomon (a)'s ring but not here in India. All animals & birds make noises on calls, its science but not Allaah's miracle? Where it's written in Quran, Hadiths & Bible that Peacock is Beast of Quran 27:82 going to speak for Mahdi? We never heard this! We don't believe this, you are not Jesus! Peacock is there since long & none of Muslim Scholars identified it as Peacock as Daabbatul Ard of Quran 27:82 till now!"

My answers to you all such above Unbelievers are given below! Why you ignorants talk about Holy prophecies when don't want to see them coming true & deny B4 full research? U Hypocrites as usual! Kill your ignorance 1st. Muslim scholars are not Jesus the Mahdi to reveal sealed prophecies of end. Quran, Hadiths, Yezidis of Iran, Bible OT & NT spoke about the Peacock in riddle form which none of you could ever understand it. Allah himself kept it secret.

Your own misunderstanding about metaphorical prophecies as real. That's great mistake of yours. Correct yourself first.

Safa Marwah hills of Makkah were metaphorically used in the prophecies. It's emergence is a complete Miracle scene of Quran, Hadiths & Bible! All wise Muslim scholars & Maseeh Dajjal failed to gain this fact! Allaah spoke of Hoopoe (Hud Hud) & ants also in Quran? Kill your ignorance first! Many intelligent people failed to find out the Quran's 27:82 prophesied speaking animal & failed. Is it not a shame 4U! Still you are unbelieving, rejecting me the Jesus Mahdi without research? Some foolish Ahmadiyya of MGAQ believed Rat plague germs without even 1% true proofs to be Daabbat of Quran 27:82 & many are still hunting around. When I gave 100% proofs then Why *U* deny? Are you always ready to deny most scientific miracles of Allaah? Why do you expect his Heaven then? You haven't seen Allaah but believed his books! Compare all signs & see! Complete prophetic scene is the miracle!

Simple Holy truth is hard for you & being just ignorant your suggestions won't effect Allaah's Messiah & his peaceful mission! First collect all the signs of Daabbatul Ard in one book as I did then recognize it. Otherwise you cannot judge being an ignorant caught up in so many confusions. First gain complete knowledge then say. It's very hard for hypocrites & ignorant to enter heavens! See 100% proofs of it below & then decide ! The Daabbatul Ard (animal from earth) is revealed as Angel Jibrael (a) in the form of "Mayura" the Peacock (Taoos). A complete time, situation, location, characters, reasons & period bounded prophesied scenes happened naturally! The metaphorical places names used in Islamic Hadiths prophecies about it practically revealed in Telangana State, Nalgonda district, Bhongir, Raigir of India. The reason of Daabbatul Ard's speaking was to certify the Jesus Christ of 2nd coming as Mahdi when people unbelieved him. It's clearly mentioned in Hadiths that out of distress Mahdi

will call upon Allaah after a short sermon then Allah will answer back to him through angel Jibraeel in the form of Peacock Bird. Join Hadiths & Quran's signs about it then see. The Messiah Mahdi & Daabbatul Ard's speaking prophecies are interlinked as per Quran & Hadiths prophecies. The word "Aayaat (Signs)" of Quran 27:82 has hidden Mahdi inside it which is invisible to common man's eyes & it's only visible when linked along with end day's major "Aaayaats (signs)" prophecies in Hadiths. Promises of Allah in Quran along with Hadiths fulfilled proving Islam as true religion & certifying all earlier holy books Vedas, Puranas, Geeta, Bible & others as true.

All questions & answers about Daabbatul Ard in brief! It's very big Miracle! Investigate in full till last. It's the matter of your own hell & heavens now! Save yourself & your families from everlasting hell. Its time of Rapture now!

Good news for all true believers & bad news for all unbelievers!

Unbelievers always keep on objecting the signs of Allah due to ignorance & foolishness. So this time also they have objections as usual. Allah, his angels & we the true believers feel sorry for all unbelievers.

Those who believe all Holy Books prophecies will accept this fact of Daabbatul Ard & those who don't will make fun of Allah's signs which will lead them to hell.

Many people unbelieved me like people of Noah (a), Ibrahim (a), Lut (a), Saleh (a), Shoeb (a), my earlier arrivals in form of Sri Ram, Sri Krishna, Buddh & Isa son of Marium (Christ Jesus) was unbelieved by so called religious people who misunderstood the metaphorical prophecies. So this time should they not take lessons from the past stories of Holy books & rectify their mistakes?

Some people based on incomplete parts of prophecies say that Mahdi will not claim but people will recognize him. Just imagine the so called learned Islamic scholars are not recognizing me despite of so many 100% authentic proofs then how can a common Muslim can recognize me so easily? Allah himself has told in Quran that Jesus the Mahdi being one of the 10 major signs of end will be unbelieved by mankind & due to this reason Daabbatul Ard will speak for him. And now some half knowledged people are not giving time for research & proper investigations. Though there are many Islamic

scholars in the world but all of them are busy in their own preaching systems & not coming forward with peace despite of my so many Islamic court challenges. Those foolish Islamic scholars are just repeating few wrong & misunderstood faiths as “Mahdi will not claim, he is an Arabic speaking person, Isa son of Maryam is still alive with body in heavens, ISA son of Marium & Mahdi are 2 different persons etc”. And hence ultimately despite of being anti-Ahmadiyya Jamat they are indirectly supporting Maseeh Dajjaal Ahmadiyya Khilafath & rejecting Allah’s true Messiah Mahdi.

What is Daabbatul Ard actually & why is it so important for Muslims?

Ans:-It’s the 6th major end days sign mentioned in Quran 27:82 & all hadiths with detailed descriptions. It’s name is kept secret from mankind & the angel Jibraeel (a) will take its form to speak. It’s actually an animal who generally walks on ground, chased by many but uncatchable by them like a star. It’s a very big miracle of Allaah during end days. It will differentiate between believers & unbelievers. It will reach all mankind for testing in fraction of seconds. It will mark all unbelievers, hypocrites whose face will become dark due to unbelieving reasons & believers faces shall shine. Once its spoken then immediately next sign shall be sun rising from west. May be X-planet appearing from west reflecting sun light upon earth & before it’s sun light’s reflection upon earth there can be fire, smoke, floods alarming mankind for its arrival. Due to which all true believers shall join true Jesus in his land from all corners of earth (Rapture). And once its light shines the earth like sun then no repentance shall be accepted by Allaah. Only those who have already accepted Jesus after this Daabbatul Ard’s miracle shall be saved. Rest shall be destined for hell. The descriptions of this Daabbatul Ard are given in prophecies as riddle form. The prophecies were sealed with wisdom & none in the world could know it in advance!

How come Daabbatul Ardh emerged from Indian place instead of Safa Marwa of Makkah near Kaaba against the prophecies? How come it is related with Mahdi?

Ans: - Daabbatul Ard have emerged exactly as per prophecies of Quran, Hadiths, Bible (OT,NT) & other holy books. Muslims don’t know exactly the mention of it in other books also. They just think that it is the only Quran & Hadiths prophecy of end days. They sometimes tried to relate this with Bible Rev. 13 where 2 beasts are mentioned. Those 2 Beasts is actually Maseeh Dajjaal’s arrival prophecy which they misunderstood. It is true that prophecies of Islam say about it’s emergence from Safa Hill of Makkah

near Kaaba during forenoon time. It's also true that these prophecies were through the visions of Mohammed (s) which were partial metaphorical also. As Quran & Hadiths book of vision's interpretations clearly certify that prophecies of prophets are partial metaphorical. So the scenes about Daabbatul Ard have exactly happened but in India where Mahdi lives. A place resembling Safa Marwa Hill with black stones on it & House of Mahdi near deserted land in India is revealed as visions interpretations. Other prophecies of Mohammed (s) have clearly say that Israel, Syria, Istanbul, Iraq, Iran all replaced with India in east of the world. The Muslim scholars are ignoring this prophecy of places replacement with India. Other Hadiths clearly say that Mahdi being re-incarnation of Isa son of Mariam will be in India against Maseeh Dajjaal who also will emerge from India. Maseeh Dajjaal will not enter 4 mosques namely Jerusalem's Aqsa Mosque, Mount Sinai Mosque of Moosa (a), Mosques of Madina Yathrab & Kaaba. But prophecy say that Maseeh Dajjaal pious leader will be present in Mosque Aqsa along with his followers during arrival of Isa son of Mariam as Mahdi exactly on eastern side of Damascus Mosque. So which is the 5th mosque Aqsa along with a white tower? It's revealed as Mosque Aqsa of Qadian, Punjab, India where Maseeh Dajjaal Mirza Ghulam Ahmad & his vice-regents have built it. And prophecies clearly say that Mahdi will come as Maseeh Dajjaal's guest in 1991 A.D. during winter season of their religious gathering from worldwide. All the prophecies are in parts & all religious scholars were confused. So Allah gave wisdom to me (Mahdi) to prove it all. When people unbelieved me as Mahdi then Allah brought out the Daabbatul Ard to speak for me as a witness. And this Daabbatul Ard is Angel Gabriel in the form of Peacock. Quran say that angels will be witness for Allah's rasool Mahdi. And Hadiths say that Angel Jibraeel (a) will take form of Peacock & speak to Mahdi as the first believer. So the prophecies came true in India & not in Makkah. The worst ever paganism, injustice, hypocrisy is in India & how come Mahdi was supposed to come in a 100% true Muslim's country. A doctor is required where there are patients suffering from ignorance disease. Muslims are just reading the places names related to Daabbatul Ard as Makkah but their knowledge is incomplete & that's why it's amazing for them.

From where will Daabbatul Ard emerge?

Ans:-It will emerge where there is Mahdi from a place like Safa hill of Makkah. It will sit on black rock & speak. (Nalgonda district, Bhongir, Raigir, from a boxthorn berry tree, sitting on a black stone facing east, speak from western side of Mahdi & it will be in India. Now it's known after its

emergence. Metaphorical places names are disclosed practically in 2015 A.D.). It was never supposed to emerge from real Safa Hill of Makkah in Arabia. People have ignored the interpretations of metaphorical places names used in the prophecies of Islam & other Holy books.

How will Daabbatul Ard speak to different language people?

Ans: - It will speak in its own language certifying Mahdi's claims visible by all in the world. And its natural language will be understood by all language people. A bird's speaking is only one its own language (Deccani) heard by all language people.

Why will Daabbatul Ard emerge & speak?

Ans: - When mankind will unbelieve Mahdi Messiah the biggest sign of end then it will emerge & speak for him, certifying him to be true man of Allaah. For full details you must read entire book.

Who is actual Daabbatul Ard of Quran 27:82?

Ans:-Now it's revealed as angel Jibrael (a) in the form of Peacock speaking for unbelieved Mahdi by mankind along with his children, few followers & 2 Hindu witnesses. All 100% proofs from Bible, Quran & Hadiths proved it to be Angel Jibrael (a) in Peacock form called as "Melek Taus" by Yezidis of Iran.

For whom & to whom will Dabbatul Ard speak?

Ans:-It will speak for Jesus the Mahdi & for his certification of being true Messiah. Quran & Hadiths say this. People didn't understand it.

Whose prophecy is it & whose animal is daabbatul ard?

Ans:-It's Allaah's animal & his prophecy with detailed descriptions to be fulfilled during end days for Mahdi the Jesus.

Which is Daabbatul Ard's real language?

Ans:-Daabbatul Ard's actual words are "I Am", "Here I Am", "I am Who I Am" (Mai Ya Oo, Mai Oo) in Hyderabad's Deccani Urdu language matched with Bible OT Angel Jibrael(a)'s exact words from Boxthorn tree during Moses (a).

When will Daabbatul Ard speak?

Ans:- Different timings with different occasions are mentioned related to its speaking. The year 2015 Ramzan & Zilhaj period is also mentioned when

Goats sacrifice festival day of Muslims will be on Friday in India. It's first time of speaking is forenoon when Mahdi would have offered 2 units of prayer twice. Then evening time of its speaking is also mentioned. And its news reached with audio video upon entire earth through internet media which all true & untrue believers have access to it easily in fractions of second. Mostly unbelievers, ignorant & hypocrites are found by this miracle.

What should you know first?

O Muslims are you really true Muslims who believe in Quran & Hadiths? Do you believe in Allah's promises or signs of end days the prophecies? Do you know all the prophecies of Daabbatul Ard based upon Quran & Hadiths? Do you know the interpretations of prophet's vision are partially metaphorical & literal? Do you know the end days prophecies were sealed with wisdom to be revealed only at the time of Messiah the Mahdi? If yes then compare them all prophecies of Daabbatul Ard & see that they have come true? If you don't believe or don't want to know or investigate then it means you are blaming innocent Messiah Mahdi in ignorance & hence destined for hell.

What are the complete signs of Daabbatul Ard mentioned in Quran & Hadiths? Join them all & a complete scene is established along with time, period, characters & reasons of its speaking. Then see all the scenes had come true perfectly as were mentioned in prophecies. That's a miracle & fulfillment of Allah's promise. Generally most of the Muslims believe in Quran's prophecy 27:82 about its emergence during end days along with supporting prophecies but they don't remember them perfectly from various Hadiths sources. And hence can be confused or unbelieve this fact due to lack of complete knowledge about it. First you should know all the detailed descriptions mentioned about Daabbatul ard's emergence from Quran & Hadiths. Then you should know that the names of the places mentioned in prophecies were metaphorical through visions of Prophet Mohammed (s) whose interpretations came true in a strange place in India. And the prophecies about Daabbatul ard were in the riddle form to maintain secret till Mahdi's arrival. What were the prophecies about Earth's Beast (Daabbatul ard) mentioned in Quran & Hadiths? What were the scenes mentioned in all hadiths? How did they come true & where? Did those all prophetic scenes match with the prophecies perfectly in any place of the world? Why was it made a mystery by Allah & how it's revealed now? Was time period & reasons also mentioned about its emergence? Such miracle cannot ever happen again as it was time, period bounded scene with

Mahdi. And time cannot be back again. Scene of Daabbatul Ard is in series of scenes interlinked with Mahdi's scenes.

My Answer: - Yes all answers to your questions are mentioned in this book. They all came true perfectly as per prophecies. The prophecy of Daabbatul Ard is now discovered to be a complete time, period & characters bonded scene. And that prophetic scene based upon all Quran & Hadiths proofs are given below for quick understanding. Even all the weak hadiths also proved to be true. The importances of the beast from Greeks & Hinduism associated with Mahdi are also added. Quran & Hadees prophesied most mysterious animal Daabbat from earth to speak. Quran said it openly & many hadiths given its detailed descriptions in riddle form. Quran & hadiths certify the prophet's prophecies through visions to be metaphorical. Their interpretations will be revealed on its appointed time in metaphorical sense. So the detailed descriptions with place, timings, day, year, reason of its speaking & Daabbatul Ard is 6th in series of major signs of end days are given. All those signs are revealed with practical scenes in India certifying them all to be in metaphorical places. Bible, Quran & Hadiths replaced Syria with India. The prophecies about Ghazwatul Hind came true. And Daabbatul Ard is revealed in the form of Peacock certifying all its descriptions with time & place. As per prophecies it had happened exactly in 2015 A.D. during Ramzan & Bakri Idd with the claimant of Mahdi unexpectedly. So should we deny these facts & still believe in them to happen again in Saudi Arabia when Time period have already passed? On what basis should we expect these prophecies to happen again if we don't consider them to be in metaphorical places? Foolish people who don't have perfect faith in Quran, hadiths & other holy books will be expecting the Daabbatul Ard from real Safa Hill of Makkah which can't never happen at all because Allah has fulfilled his promise certifying all Quran & hadiths. As per Quran & Hadiths the interpretations of Mohammed (s)'s visions were supposed to be in India which has happened. Those who don't believe them are hypocrites & foolish.

Quran & Hadiths say that Peacock will speak in favour of Jesus (Mahdi) in between July 7th & October 2015 A.D. It will come out first answering during forenoon on Mahdi's distressful call to Allah. This scene will happen in a rectangular place just like Safa hill & Marwah in India (They came true in similar place to Damascus in Nalgonda District Bhongiri Raigiri on 3rd year of Mahdi's news of 2012).

All about Daabbatul Ard's descriptions in Hadiths certifying Peacock. All descriptions of Peacock as Daabbatul Ard were given in Hadiths but only word "Peacock or Taoos or Mayura" were not used for it. It was a sign to be revealed during end days & that's why people couldn't know it in advance.

The maximum descriptions extract from all symbolic & literal prophecies about the Daabbatul Ard found in Quran, authentic Hadiths & so called weak Hadiths from worldwide: - Whatever is being mentioned below are 100% mentioned in sealed prophecies of hadiths & Quran. It may appear very strange to readers but it's a fact. Anybody can see the direct hadiths from their own eyes. Before the time & development of telecommunication technologies many religious Muslims didn't believe them but now the time has come to understand them all easily.

Note: -Before Sept-Oct 2015 I was not aware about Peacock being the Daabbatul Ard. If you see in Quran & hadiths then you will not find that Daabbatul Ard mentioned in 27:82 is actually Peacock bird. It is nowhere mentioned that Peacock will come out as Daabbat minal Arz (a creature from earth) & speak for Mahdi. But it is 100% mentioned in Quran & Hadiths with covers of wisdom which none could see or understand it b4 it's scene happening naturally on the time appointed with Jesus Christ the Mahdi. I was in impression that Daabbatul Ard is actually Dinosaur's skeletons or such robots but Allah wanted to keep it a secret even with me until time appointed. Then hocomme a common man can know it? That mysterious beast now revealed as Peacock bird. Just by seeing the answer to all mysteries about Daabbat Muslims are spell bound & started doubting this miracle. But it's natural miracle & planned by Allah. First the scenes naturally happened with me along with Peacock & others then the holy prophecies knowledge revealed to me. These many signs systematically as per prophecies cannot be denied at all but people may only doubt it. All doubts are baseless & a confusions of unbelievers. These doubts of people also proof that miracle is unbelievable buttrue. Happening of this miracle is very much strange & news to the old prophecies believers the Muslims. Unless they read this book completely they can't know it. This

*book is all prophecies collection & Quran's wisdom revealed in it.B4
reading this book they may reject all my claims in ignorance.*

What Quran & Hadees say about Daabbatul Ard of end days?

The Hadiths say that the emergence of Daabbatul Ard during end days was actually a scene to happen favouring the real Isa Ibne Maryam (Jesus son of Mariam) who is reborn as Mahdi. It's emergence was supposed to certify the Hinduism Holy Books, Bible, Quran & Hadiths practically. As all these book have Peacock as a holy animal. The scene of Daabbatul Ard was supposed to happen in a small hill's area & a valley in presence of Mahdi's own children, 3 followers & 2 other Hindu neighbour witnesses along with their dog. It was not supposed to happen in entire world at every place for people to see & believe. But only it's news, natural audio, VDOs of DaabbatulArd were supposed to be spread in every home of mankind distinguishing him from true faith. It was not supposed to happen physically with every person upon earth with physical marks of "believers or disbelievers" on their foreheads or noses. It was so common & beloved bird of mankind but hidden also as per Allah's promise. In the meantime mankind assumed a new strange diabolic animal out of their imaginations based upon sealed, riddle form & its physical descriptions in puzzled prophecies. They assumed it to appear literally in real Safa Hill & Marwah in Makkah in Arab. In these places no private residence of anybody is there & there are always more than 13 or 313 persons whereas the prophecies say that there will be just 13 members, 14th will be Mahdi himself & 2 neighbours Roman (Hindu) witnesses who also has a dog with them. These two men are called as believers (Muslims) though they are Hindus (Romans, Bani Al-Asfar) because they will believe. Daabbatul Ard prophecised in Quran as mysterious creature which was supposed to be revealed only when main greatest alive sign of Allah the Mahdi appears among mankind & unbelieved by all except chosen Mahdi's children & few others not exceeding 30 members. Nobody would have pledged their alliance to Mahdi from outside his family till the time of DaabbatulArd's speaking in 2015 A.D. It will be first to pledge alliance to Mahdi when Mahdi will have only 13 members with him. It will emerge many times with gaps upto 40 days. It will speak first time in Ramzan 2015 July 7th or 8th during forenoon. Before it's emergence Mahdi will offer 2 units of forenoon prayer twice, give a sermon to his followers & cry aloud to Allah in distress. On his call Allah will answer him through Peacock Angel Gabriel (a). It will be actually angel Gabriel (a) in disguise of a Peacock Bird. This will be the

third year of Mahdi's announcement during his 43 years age & his invitation to public for joining him isince Ramzan 2012 A.D. As per hadiths, Bible & sunnat of Mohammed (s) Mahdi will claim, invite people with his banners during evening on 14th May 2012 & due to his claims only hypocrite Muslims from various communities will gather to attack him but due to Police security & arrangements all will run away as if the earth has swallowed them. Mahdi's house will be surrounded by enemies for attacks, he will be brought out from his house unwillingly but he will make a loud cry & announcement through TV Satellite channel News (Note:-Its mentioned in another hadiths as the call of azaan the Muslim prayer Call which has the word "Allaahu akbar which means Allaah is great"). Then again his family members will be attacked by a person from Bani Kalb next year & then again his house will be demolished in another next year by a person who lived in the place of black people (Habshi). Mahdi& his family will be kidnapped, beaten, tortured & all his holy things will be plundered by enemies. Then he will shift wirth family to another place. After continuous unbelieving of People & relatives bycott Mahdi's wife was supposed to die in brief illness during Ramzan Friday just like Khadija (rz)'s death due to hardships. Due to this sorrow & distress Mahdi was supposed to call Allah for his wife without any prior plannings as per Quran 27:82. in a valley then Allah was supposed to bring out the most mysterious Bird Peacock to speak in his favour as per scenes already mentioned in hadiths & Quran. It is Allah from unseen world who will be directing his Mahdi as per prophecies without Mahdi's own intention just like a remote control system. Angel Gabriel (a) will be first topledge his alliance to Mahdi in disguise of a White Bird (Peacock 80% white from back view when dance).The first few after Gabriel (a)'s pledging alliance to Mahdi will be from among other Angels, Jins & chosen men later. Nobody will pledge alliance to Mahdi after his public announcement in 2012 till the emergence of Daabbatul Ard in 7 July 2015 A.D. This 3 rd day mentioned in Biharul Anwar Hadiths is actually the 3 rd year from Ramzan 2012 to Ramzan 2015 in which Sun, Moon & planets will all align uniquely. Daabbatul Ard will again speak on Friday evening the next day of Hajj when people will be going to Mina to complete 2nd customary visit (25 th Sept 2015 Friday evening in India). It will again reappear on Wednesday with three loud shouts & then turn its face towards South where Damascus (metaphorically Nalgonda dist of Telangana, India) is located & shout again. It will appear from the black stone rock in east of the Qibla side. It will appear in between the house of Mahdi & the black stone rock from a safa like Hill. It will appear exactly as per the scenes, time, period, reasons mentioned in hadiths & Quran. It's

emergence will appear to be like a perfect live screenplay in the world based on holy scriptures. Many people worldwide have tried to know about this mysterious creature before its emergence but couldn't know it. Many assumed it to be snake, camel, Hazrat Ali (rz), internet, robots, politicians, Gog Magog, Beast of Revelation chapter 13, diabolic typical creature, Termites, the germs of rat's plague & even they assumed it to be Mahdi or Jesus in distress. But all of them failed & unbelievers who used to make fun of this prophecy are to be ashamed now. Allah actually will make this creature speak through an Angel or the angel Jibraeel (a) himself in the form Peacock on a particular occasion & for the sake of Mahdi only. Allah ordered Gabriel (a) to perform this scene. All prophecies were misunderstood by mankind but now revealed practically just for Mahdi during end days. The Israel is replaced with India (land of Edomites) & hence the Israel's national bird Hoopoe (Hud Hud) is also replaced with Indian National Bird the Peacock. Daabbatul Ard Peacock's form will be adopted by Angel Gabriel (a), he will pledge the alliance to Jesus Christ the Mahdi first when 13 true believers of his own family will be with him. But later 300 more are supposed to join him making figure 313 equal to the number participants in Islamic Badr War. Among 313 persons some will be his own children, some Jins, some angels & rest human beings. Allah will respond to Mahdi after his call (certifying Quran 27:62) to Allah in distress through Angel Gabriel (a) in Peacock form during forenoon after his short unique sermon. The Peacock Bird will appear from a hill like Safa of Makkah during forenoon. It's speaking will be heard between that Safa like hill filled with black stones & Marwah like another corner on slope where Mahdi lives in his house with his many children (metaphorically mosque Sahla & Marwah or muqam e ibrahim). This area will be valley, small piece of dry land surrounded by sand nearby & mountains. This scene will happen when Mahdi unbelieved by people would have killed Maseeh Dajjal through his literature distributed on Friday afternoon around 3 pm. In 2003 A.D. This Bird will certify the claims of Mahdi many times which will be visible & audible worldwide through telecommunication media. It will appear on 3 different occasions many times certifying Mahdi & all his claims. It will announce the starting of doomsday time, distinguish between unbelievers, believers & hypocrites. It's unbelievers will be destined for hell. All true believers of Mahdi & Peacock's speaking will be enlightened with true faith of Islam. Their place will be heaven as per Allah's promises. There will be roots on that land of daabbatul ard (Peacock). That land will be a little away from main village. All other creatures present there will also cry along with its cry fearing the end of the world soon. It will declare in its own language

that all unbelievers are destined for hell now. Its speaking will be just like bird Hoopoe Hud Hud. It will turn its face towards East shout aloud 3 times & then turn on other side & shout (**Note:-**It's mentioned as Nalgonda District just like Damascus metaphorically in Hadiths. The area of Nalgonda District is also 105km square just like Damascus area 105km square)). All believers & unbelievers will be able to see this everywhere in the world. It's speaking to mankind will be unavoidable. This Peacock Bird will be having many colors in it, attributes of many animals & its ears will be having hearing capacity just like an elephant who can hear infra sounds also (less than 10 hertz). It's 2 front limbs will be developed into 2 big wings & 2 will be used for walking on ground or running like a camel. It will also have a face like humans are having (Note:-It means as Humans do have face so the Beast also has the face. It's a riddle form prophecy which confuses mankind). It will have a little hair below its hairy beak, fur on body, just like beard. It's neck will be like an ostrich, its sitting position will be like a cat, its chest will be like a Lion, it will have colors of cheetah & tiger, it will be moving its head like a bull, it will have crests over head just like a stag having horns, it will have a horn like hipo, people will try to catch it but it will not be caught, it will be cruising on earth like a star, it will come out from earth (the egg laid in deep shrubs, under rocks in land) or the angel will adopt its body, it will have white stick like Moses (a) staff with Solomon ring like structures on its end (peacock feather), its eyes will be seeing so keenly from far distance just like swine, its hands will be like monkey (*as monkeys clap its hands together & so the peacock also claps his 2 front limbs the wings before landing*), its rump (lower ending part of bird's back) will be like deer (means hiding shrinking by tail), its body will be like horse (it appears to be like riding an ostrich), it's scene of speaking in favour of Mahdi will travel worldwide very fast through telecommunication media. But people will not like the speech of Peacock in favour of Mahdi whom they unbelieved & hence destined for hell. All language speaking people will be able to understand its speech because it will be in its natural language. It was supposed to speak three main answer to Mahdi in Deccani Urdu language of Hyderabad, India as "Mai yaa, Main Ya Oon, Mai HOo, (means:-I Here, I am here, I am). It was supposed to always sit on a nich near to Mahdi's house & was supposed to appear from the Indian Boxthorn tree just like the scene of angel's speaking from Gharqad tree to Moses (a). It was supposed to show mankind that it's actually an angel Jibraeel (a) who took form of fire (rainbow like light) in Boxthorn trees of Israel & now as Peacock for Mahdi. It was also supposed to certify Yezidis people of Iran's prophecy about Melek Taoos's speaking to Mahdi the last savior. It will

speaking when the world will be full of injustice, hypocrite Muslims whose mosques will be very beautiful decorated & big, unbelievers, when people will be considering false to be true & true to be false, when they will be very much busy in their world affairs & pay no attention to Mahdi's calls & explanations. It will speak as 6th major sign of the end days out of ten in which only alive positive sign from Allah certifying all other signs will be sent one of Allah the Jesus Christ Mahdi. Those unbelievers of Peacock's speaking will be hurt, injured & avenged by Allah in many ways also. Everywhere in world people will be conversing about its speaking & many will be unbelievers also. Those who unbelief will be considered hypocrite & believers will be true. They will gather in parties, shopping places & people will recognize the believers & unbelievers through their faces. After performing the speaking scene it will disappear from the place. Then the believers of Daabbatul ard Peacock will ultimately gather to Mahdi from worldwide in Nalgonda district, Bhhongir, Raigir, Telangana state of India. All other unbelievers will be destroyed by 4 major punishments of Allah namely Fire, Smoke, Flood, Gog Magog & ultimately the sun will rise from west closing all doors of repentance for mankind. This place of people gathering is called as Mahshar in Arabic which means the place of Mahdi's Judgment. When a big size heavenly body enters the earth's atmosphere then it is burnt due to friction. It gives heat (fire), illuminate the earth (appearing like a sun), smoke follows it & when it falls upon earth or ocean then a heavy universal flood occurs. The 4 major signs of end days may happen collectively at once also or in parts. I am also awaiting for this. But punishments are for unbelievers & a mercy for believers.

Note:-Many people tried to narrate about the Daabbatul Ard due to which it is very much possible that one or two extra signs of it are mentioned which may not fit upon Peacock but may also fit on it in other metaphorical sence. After all it is true that the Peacock came out spoke to mankind in favour of real Jesus Christ who is reincarnated as Mahdi. So all its descriptions are 100% fit in Peacock only.

Did companions of Prophet Mohammed (s) see the angel Jibrael (a)? Did common men also see angels earlier in Islamic history?

Yes they saw him in the form of a man. Prophet Mohammed (s) asked his companions about the man who visited him asking about Islam.

Prophet Mohammed (s) said that the man whom they saw was Jibrael (a) in human form. But the companions of Mohammed (s) did

not recognize him or see his actual form. The people of prophet Lut (a) also saw angels in the young males' human form but did not recognize them. They even tried to make illicit relations with those angels. And one of those 3 angels are said to be Michael (a) as per Hadiths. Likewise my companions, 2 neighbours & my own children along with me also have seen him face to face physically in the form of Peacock. I spoke to Angel Jibraeel (a), greeted him many times along with my children & few believers. We became the most blessed persons upon earth by the grace of Allah. Moreover 90 % scenes of it's speaking got recorded on my handycam by the grace of Allaah. It's now visible by all mankind. Foolish people are making fun of its giving witnesses due to ignorance & they are thinking that it's just a peacock but it's an angel Jibraeel (a) in Peacock form. Many ignorant Muslims are abusing, passing dirty comments on Peacock's speaking for me & inviting Allah's curse upon them. They should read the verses of Quran.

Quran 2:98. "Whoever is an enemy to Allah, and His angels and His messengers (rasoos), and Jibrail and Mikhail! Then, God (Himself) is an enemy to the disbelievers.

Imaginary fotoes of angels helping prophet Lut (a) in human form. It's taken from Google.

Quran (11:69) Indeed Our messengers (Rasools) came to Abraham, bearing glad tidings. They greeted him with 'peace', and Abraham

answered back to them 'peace', and hurriedly brought to them a roasted calf.⁷⁵

Quran (11:71) And Abraham's wife was standing by and on hearing this she laughed.⁷⁸ And We gave her the good news of (the birth of) Isaac, and after Isaac, of Jacob.⁷⁹

Quran (11:72) She said: 'Woe is me!⁸⁰ Shall I bear a child now that I am an old woman and my husband is well advanced in years.⁸¹ This is indeed strange!'

What about the dog or parrot or any bird's speaking now a day? What's the special in Peacock's making noise on your calls or answering your requests in its own language?

Those animals are taught by mankind to speak or act. But Hoopoe (Hud Hud) spoke with Sulaiman (a) in Israel & so did Angel Jibrael in Peacock Bird form spoke directly by the wish of Allah without any mankind's training or plannings. Angel Jibrael (Gabriel or Arch Angel) have spoken to Moosa (a) from the Boxthorn tree in the form of fire & same Angel spoke to mankind as witness for me in peacock form. I didn't give any training to Peacock nor even fed it anytime in my life. So it was all done naturally as prophecies. People should understand the uniqueness of its especial arrival & answering my requests so positively. First the voice of it was heard by me as answers to my call & then it appeared physically giving my witnesses so systematically. Such scenes never happened earlier with anybody in the world. All prophecies of time, period, reasons, presence of true Mahdi along with same number of persons as prophecies & location all matched perfectly making it a true miracle of Allah.

This Book gives you the proofs of Allaah (Yweh/Elohim/Om)'s existence. It's most amazing hottest topic for all News, media & Book readers! All must ead& see! You will never be ashamed to be a religious person except

ethiests who will be spellbound now! My Fire Baptism “Rapture” is ready 4U!

Note:-First see all the 1400 & above identifications proofs including scenes of Jesus Christ reborn as Mahdi, proofs of Maseeh Dajjaal (antichrist666), the 3 Tsunamies & then proofs of Daabbat from earth & it's coming true exactly as per prophecies of Quran & Hadiths. They are all interlinked & time bounded prophecies! All of them have come true exactly as mentioned! When all signs have proved me the Mohammad Mowdood Aihmad Khan as Jesus of 2nd coming reborn as Mahdi & Mirzaa Ghulam Aihmad along with his vice-regents as Maseeh Dajjaal along with 3 Tsunamies then you unbelieved me. And when Allah himself brought out the Daabbatul Ard Peacock to certify me as Mahdi by its speaking then how dare you unbelieve or deny these many signs which have happened naturally as per prophecies? If you are religious people of the holy books then you must believe me as Allah's promised Messiah Mahdi Mahadev the Kalki or otherwise don't call yourself to be religious but get ready for everlasting 7th level hell because that's also a prophecy! And remember all the prophecies of Allah come true wheather you believe or unbelieve or like or dislike or ignore or set back from them. They are all imposed upon you & none of you can escape from them. Face consequences either as a believer or unbeliever! It's your choice! My job is to present the facts b4 you & invite all of you to heavens but you may ignore it.

Are you among the People of holy books who say we believe the holy books with prophecies & when they come true you unbelieve them because you are not habituated to see real time practically coming true of the prophecies due to life of imaginations, illusions & delusions? Are you like the Jews of Israel who unbelieved the prophecies coming true practically in front of their eyes& who are considered in Quran as books carrying donkeys without understanding them? Is your faith to believe only the prophecies but not certifying or believing them when they come true? Are ignorant people who assume themselves to be religious authorized to rebel the true Mahdi Messiah of end days without being appointed by government? Are Islamic scholars of unIslamic world or Islamic world appointed by their government to rebel true Mahdi?

Alimran 3:4:- Surely, those who deny the Signs of Allaah shall have a severe punishment. And Allaah is Mighty, Lord of Retribution. (**Note:** - Isa son of Maryam the Mahdi is biggest end day's sign out of 10 major signs as mentioned in Hadiths)

Quran 3:81 And *remember the time* when Allah took a covenant (contract with oath) of the people of the book through the **Prophets (ambia)**, saying: 'Whatever I give you of the Book and Wisdom *and* then there comes to you a **Rasool** (*note:-an apostle the Mahdi also to certify last prophet Mohammed (s)'s prophecies. fulfilling (certifying) that which is with you (the prophecies, holy books)*), you shall believe in him and help him.' And He said: 'Do you agree, and do you accept the responsibility which I lay upon you in this *matter*?' They said, 'We agree;' He said, 'Then bear witness, and I am with you among the witnesses.'

Quran 3:82:- And those who turn away after this shall be wrong doers. (**Note:-** *Thesetwo verses imply upon Mohammed (s) & Mahdi also because Mahdi is Allah's rasool without prophethood (nabuwat) to certify all earlier prophets (ambia) by appearing publicly as per prophecised scenes. Remember in this verse Arabic word "ambia" & "Rasool" is mentioned separately. And this verse is connected with Alahzaab verse 7 where Prophet Mohammed (s) is also mentioned in the list of prophets of the covenant*),

Quran's 27:82 most Mysterious Prophecy of Earth Beast's Emergence & Speaking is fulfilled between 7th July 2015 Ramzan till 7th October 2015 A.D. It's Revealed Practically as Angel Jibraeel (s) in the Peacock form! It's the 6th major end day's signs out of 10 in series exactly as prophecised in Holy Quran & Hadiths. The complete 100% natural

scenes exactly happening practically as per prophecies is the Miracle but not just the speaking of "Mayura" the Peacock! If 70% scenes happened & 30% missed also then it's not Miracle. But it is 100% Miraculous scene as mentioned in Quran & Hadiths which have happened. The scenes all came true as they were prophecised but the names of the places are proved to be metaphorical due to the prophecies through visions. Quran & Hadiths have proved that the visions of prophets are having different interpretations. The mankind didn't understand their interpretations & hence believed them to happen in real Makkah Safa Hill in Arabia. But its interpretations came true in India, Telangana, Nalgonda District, Bhongir, Raigir village! Its news reached corners of earth in a single step through internet or else it would have taken 3 days maximum through planes! It's the Amazing News! All prophets (Rishis, ambia) proved as true! Allah's loving answer to mankind through Peacock! Will mankind bear this simple loving practical answer of Allah to mankind through Peacock or still unbelieve his signs?

The prophecies & stories of Angel Jibrael (a) as Peacock. The truth of Angel Jibrael (a) is now revealed that he is Peacock Angel (a).

Quran, Hadiths, Bible Old Testament, New Testament, Hinduism & Yezidis prophecies of Angel Jibrael as Peacock (Daabbatul Ard).

Quran 27:82:- And when the word befalls them (during end days), We will bring out for them **a creature from the earth (*daabbatin minal arz*)** speaking to them, because the mankind were not believing in our Our Signs (Aayaats).

Hadiths:- Imam Sadiq (a): “The first person who will pledge allegiance with the Qa’im (a) will be Gabriel who will ascend in the form of a white bird. He will then put one of his feet on the Ka’bah (Note:-Metaphorically the Mosque of Allah) and the other on Bayt al-Muqaddas and **will call in Fasih and eloquent Arabic in such a way that all of the creation will hear him. He will state that the command of Allah has come; race toward it.**” (Bihar al-Anwar, v.52, p.286)

Bible OT Exodus 3 :- Moses (a) and the Burning Bush

3 Now Moses was tending the flock of Jethro his father-in-law, the priest of Midian, and he led the flock to the far side of the wilderness and came to Horeb, the mountain of God. **2** There the angel of the LORD appeared to him in flames of fire from within a bush. Moses saw that though the bush was on fire it did not burn up. **3** So Moses thought, “I will go over and see this strange sight—why the bush does not burn up.”

4 When the LORD saw that he had gone over to look, God called to him from within the bush, “Moses! Moses!”

And Moses said, “**Here I am.**”

5 “Do not come any closer,” God said. “Take off your sandals, for the place where you are standing is holy ground.” **6** Then he said, “I am the God of your father, ^[a]the God of Abraham, the God of Isaac and the God of Jacob.” At this, Moses hid his face, because he was afraid to look at God.

⁷The LORD said, "I have indeed seen the misery of my people in Egypt. I have heard them crying out because of their slave drivers, and I am concerned about their suffering. ⁸So I have come down to rescue them from the hand of the Egyptians and to bring them up out of that land into a good and spacious land, a land flowing with milk and honey—the home of the Canaanites, Hittites, Amorites, Perizzites, Hivites and Jebusites. ⁹And now the cry of the Israelites has reached me, and I have seen the way the Egyptians are oppressing them. ¹⁰So now, go. I am sending you to Pharaoh to bring my people the Israelites out of Egypt."

¹¹But Moses said to God, "Who am I that I should go to Pharaoh and bring the Israelites out of Egypt?"

¹²And God said, "I will be with you. And this will be the sign to you that it is I who have sent you: When you have brought the people out of Egypt, you^[b] will worship God on this mountain."

¹³Moses said to God, "Suppose I go to the Israelites and say to them, 'The God of your fathers has sent me to you,' and they ask me, 'What is his name?' Then what shall I tell them?"

¹⁴God said to Moses, "**I AM WHO I AM.**^[c] This is what you are to say to the Israelites: '**I AM** (*Mai Hoon or in Deccani Urdu of Hyderabad language it is pronounced as "Mai Ooo" the sound of peacock*) has sent me to you.'"

¹⁵God also said to Moses, "Say to the Israelites, 'The LORD,^[d] the God of your fathers—the God of Abraham, the God of Isaac and the God of Jacob—has sent me to you.'

"This is my name forever,
the name you shall call me
from generation to generation.

Bible New Testament 1 Thessalonians 4:16-17:-

For the Lord Himself will descend from heaven with a shout, with the voice of the archangel (Gabriel) and with the trumpet of God, and the dead in Christ will rise first.

Hinduism:-

Chandra Bhairava (Mahdi) rides on peacock.

SHIVA AS KALA BHAIRAVA WITH VARAHI KANGRA, NORTH INDIA, CIRCA 1790-1800.

Opaque pigments heightened with gold on paper, Bhairava and his consort sitting on a peacock drawn chariot bedecked with rugs and tiger skin accompanied by a dog, set in a hilly landscape.

Yezidis of Iran:- Yezidi prophecy maintains that Tawsi Melek will come back to Earth as a peacock or rainbow during a time of intense conflict, poverty, famine and distress on the Earth. He will then transmit some prayers to a holy man, probably a Faqir (Jesus Christ Mahdi), who will then take them around the Earth and give them to representatives of all religions. This prophecy matched with Quran & Hadiths that all people of the Holy books will see the Jesus second coming as Mahdi.

An ancient Yezidi prophecy states that when the 'blue star' *al-Qud* makes its appearance in the heavens, the Fifth Age of this world will commence. These will be the days of purification for everyone on earth. The Yezidi

name for the North Star is *al-Qud* and this will come when Melek Taus reveals himself as rainbow halo around the sun.

Yezidis maintain that when Melek Taus returns to earth as a peacock or rainbow along with the six great archangels.

The Fifth Age will begin as a time of war not only for Yezidis but for all mankind. We can see this already happening with the migration of Yezidis from their ancient holy mountain of Shingal. The prophecy states that this will force the Yezidis to migrate to the four corners of world, including the return to their ancient homeland of India.

During this great war, Yezidis will be the source of enlightenment to Muslim and Christian nations. Only Lalish and other ancient holy sites will be oases for refugees who seek shelter. This war will be an entirely spiritual war over material matters. Material matters will be dissolved by spiritual message of those who remain alive to recreate a new world and usher in the new Golden Age of Melek Taus.

State of Israel replaced (2 Esdras 1) with Andhra Pradesh India. And hence the Hoopoe (Hud Hud) Bird of Israel also replaced with Peacock.

Note:-The same word of Quran 27:82 signs ("aayaat") is mentioned in 10 major signs of end days in hadiths where Jesus Christ the Mahdi is main alive aayat (sign) with whom all other 9 aayaats (signs) are connected in series. Till major Miracle People should not follow Mahdi. And as per Quran & Hadiths the miracle of Daabbatul Ard Peacock is great Miracle of Allah for Mahdi. All must follow me (Messiah Mahdi Mahadev) after seeing this.

Quran (13:38) And, indeed, We sent Messengers before thee, and We gave them wives and children. And it is not possible for a Messenger to bring a Sign (miracle) except by the command of Allah. For every term there is a *divine* decree. (Note:-In other words we can say that Allah gives the miracles as per the present world's conditions in that era).

It is Allah who has brought out the Peacock to speak for me (Mahdi, Messiah) !

Quran 27:82:- And when the word of end will be about to happen upon them, We will bring out for them a *creature* from the earth (*daabbatin minal*

arz) speaking to them, because the mankind were not believing in our Our Signs (Aayaats of end days including 10 major aayaats as per hadiths, the Jesus Christ Mahdi).

37- Ghaibat Nomani: It is narrated from Ali bin Harith bin Mughira that his father said: I asked Imam Ja'far Sadiq (a.s.): "Will there be a time, in which the Muslims will not know **who their Imam is?**"

He said: "It is said so." I asked: "What will we do then?"

He said: "If that occurs, then keep to the previous one (religion of Islam) until the next one **becomes clear to you.**"

It is narrated from Abdullah bin Sinan in the same book that I and my father went to Imam Ja'far Sadiq (a.s.) and the Imam said: "What will you do if you reach a time that you do not find an Imam of guidance nor any banner and then no one will be saved from that confusion, except one who will pray to Allah with the prayer of drowner (Dua Ghareeq)?" My father said: "By Allah, this is a great calamity. May I be your ransom! What will we do then?" He said: "If that occurs - and you will not attain it - then keep your previous faith intact **until the matter becomes clear.**"

It is narrated from Harith bin Mughira Basri in the same book that he said: I said to Abu Abdullah Imam Sadiq (a.s.): "We have a tradition saying that the Imam will be missed in some periods of time. What will we do then?"

He said: "Keep to the previous one (Shia faith) that you have kept to **until the matter becomes clear.**"

The author says: These reports imply that Shia during the time of the occultation of Imam Zamana (a.s.) should not be confused with regard to the religious commands and Islamic laws. In simpler terms it means that they should continue to act on the principles and secondary laws with steadfastness and not to leave them **till the Imam reappears.**

It is possible that the meaning of the report is that you must not believe **in the claim of anyone who claims to be the Qaim of Aale Muhammad (a.s.) till he does not prove his claims through miracles (Aayaats).** We have mentioned this in the argumentation of Shaykh Tusi in which he has quoted the statements of Saad bin Abdullah.

Angel Jabraeel (a) Forms

Earlier angel Gabriel (a) took many forms like Fire (Bluish fire with rainbow like colors) during Moosa (a), Prophet Mohammed (s)'s companion during

descend of Quran, Man during Mother Marium (a) & now as Peacock during Messiah Mahdi Mahadev. All religious people should be happy now! **(My note:-** Remember Angel Jibraeel (a) had adopted human form also in past for Mother Marium & Mohammed (a). So in Hadiths it is said that this Bird is actual angel Jibraeel (a). So this hadiths metaphorically points to Human face of Angel Jibraeel (a) but not the other man. This means it's angel Jibraeel (a) who also had human face earlier)

Now Fire driving all mankind towards the land of Judgment (Mahsher where the Fair Judge (Haakim, Adil) Messiah Mahdi Kalki lives), rise of Yajooj Majooj (Gog Magog), Smoke & Sun from West can happen any time. These 4 Major remaining Signs out of Ten Major Signs of End Days are actually punishments for all unbelievers & Muslim Hypocrites who rejects real Messiah Mahdi (Same person called as Vishnu's last incarnation Mahadev, Dattatreya, Kalki, Narsimha, Vaman, Venkateshwara, Varaha in Hindus).

First Angel Gabriel (b) spoke many times & later he spoke along with his assistants directly to mankind or made the Peacocks speak certifying biggest alive sign of Allah the Jesus Christ who is reincarnated as Mahdi in 2015 A.D.

It certified all claims of Jesus Christ Mahdi in its own language miraculously. Daabbatul Ard Peacock's Speaking many times are audible, visible worldwide through internet youtube videos which are recorded naturally without any editings or settings. Allah responded to Mahdi through Daabbatul Ard Peacock on his call to Allah in a **Deccani Urdu language of Hyderabad as "I am Here (Mai yaa, Mai yaa, Mai yaa (mai yahaan, mai yahaan, mai yahaan))"**. It also proves that now India is the target of Allah (OM, Yweh, Maha Vishnu, Nirguna Brahma) because Maseeh Dajjaal Antichrist 666 (Ravan, Jalandhar, Koka, Vikoka, Hiran Yaksh, HiranYaKashipu), Messiah Mahdi Mahadev the Jesus of second coming & Daabbatul Ard all appeared here in India. All religious people are also gathered here for cleansing in faith by him. It's a blessing for the believers & curse for unbelievers. Now India shall be cleaned in faith & entire world will become Ayodhya (Warless) the peaceful heavenly kingdom (Islamic Kingdom).

Note:-The oldest religious people Yezidis of Iran whose holy book revealed by Allaah is destroyed long ago also have the prophecy of Peacock's appearing to last saviour (Mahdi Messiah Mahadev Kalki). But they are confused in the name of Peacock angel. It's actually angel Jibrael (a) who revealed himself to prophet Moses in the form of rainbow like light which appears to be fire from the Box thorn tree with words "I am (Mai Oo)". These are Peacock's words or Peacock angel's words & now same scene happened for me (Mahdi) in 2015 July-October.

List of Ten Major Signs of World's End. Six are over & now only 4 Punishments signs remain!

Ten major signs (Aayaats) of world's end:-There are many minor signs of end mentioned & also special 10 major signs of World's end. Hadiths say all those signs are like falling beads of a broken necklace or rosary. Once they start occurring then continuously they will end up with last of the major signs. All religious scholars accept that almost all minor signs have already happened. **All these given below 6 Major signs of World's end have happened recently. Now all of them come to a break point the first major sign of end days the Maseeh Dajjaal or the "AntiChrist666 the most False successful cheater Messiah & his religious dynasty spread worldwide. After this the 2nd major sign is Real Jesus Christ Messiah the Mahdi."** If they spare 24 hours time for investigation then they can accept these 2 signs very easily inshallaah. The 10 special major signs of end in Islam are (1) Maseeh Dajjaal (2) Jesus Christ Messiah the Mahdi (*Jesus himself is Mahdi*) (3, 4, 5) Tsunamies (splits of earth) in east, west, arab peninsula (metaphorically Indian Peninsula) (6) Daabbatul Ard's speaking (Note:-See other 4 signs at end of this topic)

- 1) Splendid Latest Pharoah the Maseeh Dajjaal AntiChrist666 Mirza Ghulam Ahmad & his Vice-regents holding Bani Israel in deceit as Ahmadiyya Jamat! False Messiah's Dynasty Rulers just like Pharoah's religious dynasty! The Vice-regents of Maseeh Dajjaal are also Maseeh Dajjaal like Pharoah! Firoun claimed to be "Rab" & so the Maseeh dajjaal did. It's title of King Messiah.

Hindu, Bible, Hadiths prophecies say that those splendid false Christ's dynasty men will be 6.

MG AQ 666, Nooruddin, M.M.Basheer, Mirza Nasir Ahmed 666, Mirza Tahir Ahmed 666, Mirza Masroor Ahmed.

Main Maseeh Dajjaal 1st Mirza Ghulam Ahmad, Nooruddin, Mirza Mahmoud Basheer, Mirza Nasir Ahmad, Mirza Tahir Ahmd 4th Maseeh Dajjaal who died by my curse (swords of mouth) in 2003, Present 6th Maseeh Dajjaal Mirza Masroor Ahmad the khalifa of Ahmadiyya Muslims in 209 countries. None of them entered Makkah, Yathrab. Mahmoud did haj b4 being throned. (C from left to right).

2) Jesus Christ the Mahdi. Public news 2012, house demolition 2014, Daabbatul Ard spoke 2015

Mohammad Mowdood Aihmed Khan the Real Christ Jesus reborn spiritually with new body, name & mission as Messiah Mahdi Mahadev, appeared in Maseeh Dajjaal's group as per prophecies DOB 24/03/1973, appeared in 1991 at 18+age against Maseeh Dajjaal 4th on eastern side of Damascus, Qadian, Punjab, India. Re-appeared publicly with announcement on 14th May 2012 in Hyderabad, A.P., India, House demolished in 2014 Sept 18 by a man of black people's place (Siddipet) & his group, Mahdi with family moved to Bhongir the place where Daabbatul

Ard Angel Jibraeel spoke in the form of Peacock in 2015 7th July Ramzan exactly on 3rd year of his (my) announcement.

Quran [17:81] And say, 'Truth has come and falsehood has vanished away. Falsehood does indeed vanish away *fast*.' (**Note:-**This verse also certified by Maseeh Dajjaal & true Mahdi Messiah's arrival)

3) Piercing of earth under water the Tsunami in Indian Peninsula (Metaphorically Arabian Peninsula) 2004 A.D.

Piercing of earth in Arabian Peninsula prophecy fulfilled in 2004 A.D. in India through Christmas Tsunami.

Note:-The India is also Peninsula like Saudi Arabia. The piercing of earth in Arabian Peninsula metaphorically means the Indian Territory but not the Arabian districts. Same next day of Tsunami I was distributing my literature to the Ahmadies (Bani Israel caught in net of Maseeh Dajjaal) in 2004 India, Punjab Qadian on 27th after Christmas in morning.

(3) Boxing Day tsunami.

4) Piercing of earth under water the Tsunami in West Haiti, 2010 A.D.

5) Piercing of earth under water the Tsunami in Japan the East 2011 A.D.

6) Daabbatul Ard the Angel Jibraeel in Peacock Form. Hud Hud, Mayura (Peacock), Dabbat has six alphabets & is the 6th Major Sign also mentioned in Hadiths. It spoke in favour of Jesus the Mahdi.

Now only 4 Major signs of Punishments left for unbelievers (7) Gog Magog (8) smoke (9) Fire from sea depth (10) sun rising in west immediately after sunset (it may be x planet's arrival also which will reflect sunlight upon earth. These 4 prophecies are still sealed awaiting to be revealed).

Sun rise from west is a mystery even for me the Mahdi Jesus.

Sun, Moon & earth all will be there but directions may change on wish of Allaah any time. Allaah said in Quran that Sun & Moon shall be working till doomsday which means keep on moving but it doesn't mean that Hadiths are wrong. Some are misunderstood & misinterpreted. Sun rise from west is about to happen & even some X-Planet may also appear reflecting sun light upon earth as if sun is risen from west. After all it is also a sign for me & I am also along all mankind awaiting for its rise. I being Mahdi Jesus also can't know its truth in advance.

Sun rise pictures or Niburu X-Planet's arrival.

Signs of the Day of Judgment

NASA confirms possibility of sun rising from the West

The science of astronomy states that the speed of planet Mars has been decreasing in its course toward the eastern direction in the past few weeks to the level we notice the "waver" between the east and the west..and on Wednesday the 30th of July the planet movement stopped going toward the eastern direction.

Then in the months of August and September...Mars changed its course in the opposite direction to the West- and that until the end of September..which means the sun will rise now from the west on Mars!! And this weird phenomena of the opposite movement is called "Retrograde Motion" Most scientist state that all the planets will go through the same once at least and our planet Earth is one of them. Planet Earth will move in the opposite direction some day and the sun will rise from the west!!

This might occur soon and we are unaware! The rise of the sun from the west is mentioned in the hadith and this is the major sign of the day of judgment, most if not all, the minor signs have occurred. Wake up.

Our beloved messenger Mohamed (Peace Be Upon Him) said: "One of the signs of the hour..the sun will rise from the west, where no longer tauba (forgiveness) will be granted" !!And the strange thing..most of our Shariah scholars mentioned that the rise of the sun from the west occurs only once..on that day..the sun will rise from the west..then again from the east..and continues until Allah wishes..and this is similar to what is happening to Mars..it stops, then it changes its course of direction for a short period of time..then returns to way once it was.

And Abdullah Bin Amro (R.A.) said: (I memorized from the messenger (SAW) a hadith I

will never forget..I heard the messenger of Allah (SAW) say: The first aya to come the rise of the sun from the west) [Ahmad]. And the messenger SAW "Allah places HIS hand at night to forgive his morning sinners, and places in the morning to forgive his night sinners until the sun rises from the west" [Muslim].

This piece of news is very important as it brings with it a great sign of warning and remembrance of the coming of a new WORLD - the world of the Hereafter When we show this hadith that was told 1400 years ago about this miracle..you will see InshaALLAH, a lot will revert to right path...And the Muslims if they see this phenomena happening in Mars..who knows maybe it would bring them closer to our CREATOR.

May Allah keep all of us in the right path and provide us with success in this world as well as in the hereafter.

Miracles of end days are like beads of a broken rosary: - Quran has mentioned may end days signs be revealed. Hadiths also have given minor & 10 major aayaat's list. Hadiths also say that these all signs will happen continuously one after another in same era just like the falling of a rosary's beads. It also says that this time will be the time of revealing of Allah's promised signs (aayaats, miracles). Quran which is actually information

from Allah is the main miracle & the promises in it are also miracles. This clearly means end days miracles will be fulfilling of all promised signs one after another in series during a single era. Quran said that the Ark of Noah (a), Firoun's body, ark of covenant of Moses (a), cities of Sodom & Gomorrah & many more are signs to be certified during end days. And hadiths also narrated many other minor signs like TV sets, satellite channels, loud speakers in mosques, spreading of dancing & singing women (filmstars), injustice & corruption, all evil usage of narcotics worldwide, shamelessness, insult of parents, hypocrisy in religion Islam, common income from interest, very hardships for true believers & rules of all hypocrites over them, homosexual marriages, usage of internet & latest vehicles, the partitions of Sub-continent India into Pakistan, Bangla Desh, India & Hindu-Muslim riots during partitions, emergence of 3rd Maseeh Dajjaal, world war 1 & 2, the disagreement of Hindu-Muslims among distribution of Muslim women of Iran, the Hypocrite Muslim Mohammed Ali Jinnah's appearing as Sufyani & capturing 5 states to make Pakistan, 3 Indo-Pak wars, Indian flag representing 3 main religions, Maseeh Dajjaal's black flag, Indian Pm Narendra Modi & Mirza Masroor Ahmad of Ahmadiyya Jamat as vice-regents, the startings of wars during their period, construction of tunnels in Makkah mountains & clock tower casting its shadow over Al-Haram mosque of kaaba & many more are mentioned. Even usage of aeroplanes, trains, goggles on eyes, women riding motor cycles & vehicles, shortage of time, increase in world's wealth but short of time for Allah's signs understandings, spreading of all holy books through internet, skype, youtube, sms, emails, hair dyes, signs in heavens, constructions of big decorated mosques with faithless worshippers, extraction of earth's common wealth as petroleum, evil Islamic scholars, 73 sects in Islam & then specially 10 major signs of end are mentioned. Emergence of Maseeh Dajjaal, appearing of Messiah son of Marium the Mahdi, 3 Tsunamies, Daabbatul Ard, Yajooj & Majooj, Smoke, Fire & Sun rise from west. All above minor & 6 specially mentioned major signs had happened in series just like falling of beads from a broken rosary. Very few people's believing in Jesus the Mahdi is also mentioned in wise style like their taking shelter upon the mount. A mountain size area denotes the number of believers of Mahdi. Hadiths speak about 10 K or little more people as first true followers of Mahdi. Hadiths also say about people's taking shelter with Mahdi in place of Daabbatul Ard's emergence due to natural disasters upon earth by Allah. Quran in chapter Qayamat 75:23,30,31 also say that all people's refuge will be with their Rab (the Lord which implies upon Mahdi also apart from Allah). Quran & Hadiths speak

about 2 resurrections of the dead. One is spiritual re-incarnation of all people of the book along with Jesus son of Mariam as Mahdi & then the final resurrection of all deads from ground on Judgement day by Allah. So coming of Allah's vice-regent is the revision of all holy books & the doomsday. Allah is Rabulaalameen (Lord of the all worlds) & Mahdi Messiah Mahadev is appointed world's King (Rab, Vishvaath, Khalifa) by Allah as per prophecies. Allah has used the word "Rab(King)" which has dual meanings. It implies upon Allah & upon his appointed Khalifa Mahdi also. First Firoun claimed to be "Rab (Allah's appointed King upon Egypt, then Maseeh Dajjaal did the same in splendid form as Allah's appointed King for entire world by claiming to be Khalifa Mahdi Messiah but true Mahdi Messiah is actual "Rab(King)".

Biharul Anwar Hadiths says Daabbatul Ard is Bird & end's sign.

Daabbatul Ard Peacock's emergence at Bhongir near Mahdi's house is prophecised in Biharul Anwar Hadiths.

I say it's not really the Muqam e Ibrahim of Makkah but Mahdi's house of Raigir in Bhongir. It is metaphorically called as mosque sahla & Muqam e Ibrahim which means place of Ibrahim (a) or place of father of many children. Hadiths of Biharul Anwar says that Mosque Sahla is house of Mahdi. It means Mahdi's house with his own children. Here Makkans means the hypocrites, ignorant & unbelieving Muslims of the village Bhongir. The house of Mahdi is called as "Gufa (dens or cave like shelter of Lions. Its Kufa or Koofa in Arabic)"

81- It is narrated from the same chains directly from Abu Basir from Ima mMuhammad Baqir (a.s.) that he said in a lengthy tradition: "Imam Qaim (a.s.) will address his men: O people, these Meccans are not willing to submit, but I will send an envoy to them to exhaust the argument on them

Then he will call one of his men and say: Go to the Meccans and say: I am the envoy of so-and-so who says: I am the Ahle Bayt of mercy and the mine of prophethood and caliphate. I am the essence of the progeny of Muhammad and other prophets. Since our Holy Prophet (s.a.w.s.) passed away, we have been continuously oppressed. We have been suppressed and our rights were trespassed. We seek help from you, please help us.

When the envoy conveys this message, they will apprehend and slaughter him between Rukn and Maqam and he is the same Nafse Zakiyya. When this news reaches Imam Qaim (a.s.) he would tell his men: Did I not say that these Meccans will not accept us? Then he would take 313 men and descend from the Tawa pass and reach the Sacred Mosque. He will pray four units of prayers at Maqam Ibrahim and then leaning on Hajar Aswad, would praise and glorify the Almighty. He will mention the name of the Messenger of Allah (s.a.w.s.) and invoke blessings on him. Then he would deliver a sermon none has delivered before.

After this sermon, the first to pledge allegiance to him would be Jibraeel followed by Mikaeel. And along with them **the Messenger of Allah (s.a.w.s.) and Amirul Momineen (a.s.) will also arise.** The Holy Prophet (s.a.w.s.) would give a new book to Imam Qaim (a.s.), which would be very tough on the Arabs and it would bear a fresh seal. He will say to the Qaim: Act according to whatever is mentioned therein. Then 300 of his men and some people from Mecca will pledge allegiance to him.

156- Ghaibat Nomani: It is narrated from Ali bin Ahmad from Ubaidullah bin Musa from Harun bin Muslim from Masadah bin Sadaqah from Abdul Hamid Tawil from Imam Muhammad Baqir (a.s.) regarding the verse:

"Or, Who answers the distressed one when he calls upon Him and removes the evil, and He will make you successors in the earth. " (Surah Naml 27:62)

"This verse is revealed about the Qaim (a.s.) and Jibraeel who sits on the **spout in the form of a bird**. Jibraeel will be the first to pay allegiance to the Qaim and then the three hundred and thirteen companions will pledge allegiance. Those (of the Qaim's companions), who are able to travel will arrive in time and those who cannot would disappear from their beds. It is the same that is mentioned in the saying of Allah: "Therefore hasten to (do) good works; wherever you are, Allah will bring you all together. " (Surah Baqarah 2:148)

Imam Sadiq (a): "The first person who will pledge allegiance with the Qa'im (a) will be Gabriel who will ascend in the form of a white bird. He

will then put one of his feet on the Ka'bah (Note:-Metaphorically the Mosque of Allah) and the other on Bayt al-Muqaddas and **will call in Fasih and eloquent Arabic in such a way that all of the creation will hear him. He will state that the command of Allah has come; race toward it.**" (Bihar al-Anwar, v.52, p.286)

(My Note:- Here it is being told about the command of end days & that's Daabbatul Ard's speaking. Here in the above Hadiths 27 the chapter's 62 verse is mentioned & not 27:82 but in other way in hidden style the Daabbatul Ard's 27:82's scene is mentioned as "end signs" & speaking of the Daabbatul Ard as Bird. When Mahdi calls to Allaah then his answer should come as per Quran 27:62 verse. And then first to pledge alliance to Mahdi because mankind believed him not. So through these hadiths we come to know that White Bird is none other than the Daabbatul Ard. And on joining all its descriptions we are able to see its Angel Jibrael in Peacock form).

63- Al-Kafi: It is narrated from Muhammad bin Yahya etc. from Muhammad bin Ahmad from Musa bin Umar from Muhammad bin Sinan from Abu Saeed Qummat from Bukair bin Ayyan that he said: "I asked Imam Ja'far Sadiq (a.s.): Why is the Hajar Aswad placed at that particular pillar of Kaaba and why it was not placed at another pillar? He replied: The Almighty Allah has placed it there, it is in fact a stone that the Almighty Allah had sent to Adam (a.s.) in Paradise and because of the renewal of covenant it was placed near that pillar. Because when the Almighty Allah took covenant from human beings when they were in the loins of their progenitors it was taken at this same place. And on this same spot a bird will descend for Imam Qaim (a.s.) and will be the first to pledge allegiance for him and by Allah, he will be Jibrael and on the same spot Imam Qaim would stand resting his back. And it is a **proof for Imam Qaim (a.s.).**"

Imam Muhammad Baqir (a.s.) then said:

“Or, Who answers the distressed one when he calls upon Him and removes the evil, and He will make you successors in the earth.” (Surah Naml 27:62)

In this verse, the word of ‘distressed’ denotes Imam Qaim (a.s.).

After that first of all Jibraeel will pledge allegiance to him in the form of a bird perching on the niche (Note:-it means the White Bird will sit on a Black rock will certify Mahdi’s claim as true); followed by three hundred and some persons (Note:-This includes angels,Jins & few true humans the believers as per other hadiths).

Then Imam Muhammad Baqir (a.s.) said: Thus one who is capable to travel to him will immediately come to him and one who can’t will be taken away from his bed at night. And it is with regard to them that Amirul Momineen (a.s.) has said: It is these who would disappear from their beds and the Almighty Allah has said:

“Therefore hasten to (do) good works; wherever you are, Allah will bring you all together.” (Surah FBaqarah 2:148)

Daabbat’s prophecies were sealed with wisdom to be revealed only for Mahdi after his rejection by mankind.

The list of signs of Daabbatul Ard (Animal from the earth)’s speaking as per sealed prophecies of Quran & Hadiths! Allah has already promised in Quran, Bible& Hadiths that the end days prophecies will be sealed to be only broken by Jesus Christ of 2nd coming the Mahdi. It means those prophecies were in riddle form & sealed with wise words which will be read by mankind but will be misunderstood. It may appear to mankind very strange due to being sealed with wisdom but it’s very much true. If you go in depth then it was only the Peacock mentioned in riddle form which mankind didn’t recognize. Simple secret of Peacock’s speaking for Mahdi was maintained with high wisdom& security. All the signs given below are 100% proved from Quran, Hadiths & facts. Muslim scholars may feel ashamed or insulted but it was not their authority to reveal this fact. They may initially unbelieve my claims also! But once they read all these details here in this book then they can never diprove this truth. Their mind & eyes are still strucked on real Safa Hill of Makkah in Arabia for Daabbatul Ard’s emergencedue to Islamic prophecies but they didn’t know that those prophecies used the metaphorical names of the places & were through visions of Prophet Mohammed (s) whose interpretations were supposed to

come true in India. They didn't understand the prophecies of replacement of Syria with India, Ghazwa e Hind, the Jesus son of Maryam's re-incarnation as Mahdi, the word "aayaat" of Quran 27:82 pointing to Mahdi, the prophecy of White Bird's pledging alliance to Mahdi first, the Hoopoe's becoming National Bird of Israel in 2008 A.D., the replacement of Israel's national Bird Hoopoe with Indian National Bird Peacock & many more things. They were not so wise to adjoin all the signs & vision's interpretations into 1. The signs of Maseeh Dajjaal, Messiah, 3 Tsunamies & Daabbatul Ard were all interlinked. Only Messiah Mahdi was supposed to pass through these signs personally & practically. So it all happened. Other creatures also speak but their signs did not match with the signs of the Peacock as mentioned in Hadiths. Even if other animals also speak to common men then their speaking cannot be proved as particular Quran's prophecised 27:82 Daabbatul Ard's speaking! The unique sealed prophecies are revealed practically for Mahdi along with Peacock! Some foolish men may say that even dog or cat or cock also responds to voices sometimes then I ask them "did the signs of such animals are mentioned in Quran & hadiths speaking for common men, is there any prophecy of such animals speaking for common men." It's not at all there but the prophecies about Peacock's speaking for Mahdi with reasons, time, period & other signs mentioned & they came true now. To deny or unbelieve these facts some ignorant people give all such nonsense reasons. There was prophecy of Peacock's speaking for Mahdi in sealed form which was maintained as top secret in the riddle form which mankind couldn't understand & it happened now. So accept it sincerely.

- 1) The speaking & emergence of it was supposed to be practical certification of Quran, Hadiths & Bible prophecies.

All its descriptions in prophecies were in the form of riddles to confuse mankind. It was only supposed to be revealed for true Mahdi by Allah himself. Because when Moses used to hold the stick with white hand then stick might used to become white like Peacock's white feather.

- 12) It was supposed to emerge when Mahdi will be unbelieved by mankind despite of his struggles, his house surroundings by evil people, his house demolition & exile to a deserted place away from city.

- 13) This scene was supposed to be in a rectangular place of valley surrounded by mountains in a deserted area where Mahdi lives along with his many children. There was supposed to be sand nearby & the roots also.
- 14) The news of it was supposed to be spread worldwide in seconds as a test for believers, unbelievers & hypocrites.
- 15) Sun rise from west may be supposed to happen on its 3rd year's of emergence in 2018 Ramzan & Zilhaj month.
- 16) It was supposed to be a major sign of Allah for Mahdi to approach the latest splendid pharaoh the Maseeh Dajjaal for the release of Bani Israel from its bondage.
- 17) It was supposed to be a big Allah's miraculous scene after the presentation of Maseeh dajjaal's deceptive daabbatul ard in the world. It was supposed to eat away all the falsehood of Maseeh Dajjaal's Daabbatul Ard's (plague germs) presentation in the world.
- 18) There were supposed to be 2 more Hindus as believers who will be witness of this incident along with their dog.
- 19) It was supposed to always sit on the nich of the black stone on hill in western side of Mahdi's house (east face of kaaba where Hajre Aswad is affixed). It's voice was supposed to be heard in between the black stone of the hill & Mahdi's house. Only Mahdi's children, 2 Hindus & 3 other followers faces were supposed to be enlightened by its emergence.
- 20) It was supposed to turn its face towards East & then towards Nalgonda district & shout aloud. It's vice was supposed to be heard in between heavens & eath.
- 21) It was supposed to have all the attributes of different creatures in it & bless the Mahdi with special prayers.
- 22) In the emergence year of it the goat sarifice day in India was supposed to be on Friday when people go to Mina for 2nd time after performing Haj.

Hadiths about Dabbatul Ard which now proved upon Peacock perfectly Mashallaah.

Note:-It's all waste to say that "this hadiths is weak or that Hadiths is weak or wrong or that is true, this is wrong" but all those hadiths which came true related to Daabbatul Ard are proved as authentic. Let it be from Biharul Anwar or Buqari or any other source. Remember there were some 7 lakh hadiths found by the Hadiths collectors after the death of prophet Mohammed (s). And it was very much possible that some of the authentic hadiths related to end of the world's signs are not recorded in main hadiths books. A true believer cannot say that these hadiths are wrong & unfit for the Peacock. It was the evil act of Maseeh Dajjaal Mirza Ghulam Ahmad & his vice-regents (Caliphs) but not mine.

Few Highlights of the Prophetical scenes about Daabbatul Ard!

Allah has spoken about Hoopoe's speaking & to certify this Allah replaced it with Peacock. How can Allah do injustice to mankind by bringing out other strange diabolic animal to speak instead of the Peacock? Israel along with Syria is replaced with Andhra Pradesh in India. Hoopoe Hud Hud National Bird of Israel now also replaced with Indian National Bird "Mayura" Peacock. Allah narrated about Hud Hud's speaking to Prophet Sulaiman (a) & to certify this another prophecised animal of 27:82 was supposed to be another National Bird of India because Israel replacement's prophecy with India was already there in 2 Esdras OT Bible. And now the National Bird of Israel is Hud Hud (Hoopoe), (2) The names of the places used in the Hadiths prophecies like Safa, Marwa, Damascus, Western wall of Mosque, Mosque Sahla (Prophet Ibrahim's) house etc came true in India. The names of places were metaphorically used in the prophecies which were misunderstood as real by Mankind. (3) The area of Damascus 105 Km square exactly matches with Nalgonda District area 105kmsquare in

Andhra Pradesh, India. (4) Year 2015 Ramzan & Zilhaj Festival day Friday also mentioned in Hadiths came true. (5) Quran said that Hud spoke to Prophet Sulaiman (a) & now Peacock Bird spoke for Christ Jesus the Mahdi because people unbelieved him as the bunch of end day's signs (aayaat)! (6) The interpretations of Hadiths prophecies came true in a rectangular area with black stone Hill on one side & Mahdi's house on its another end corner. (7) The physical presence of Mahdi along with 13 persons, 2 Romans (Hindus) with their dog & Mahdi's calling Allah in distress due to his wife also came true & Allah responded to Mahdi's call through Angel Gabriel (a) in the form of Peacock. Earlier Allah spoke to Moses (a) directly through Angel in the form of Fire (which has all 7 colors in it like rainbow) (8) The Prophecies of Biharul Anwar Hadiths about White Bird's pledging Alliance to Mahdi first came true. Daabbatul Ard was mentioned in 2 styles in Biharul Anwar Hadiths just like Muqam e Ibrahim & Mosque Sahla. Just like wheatish complexioned Jesus going round Kaaba along with 2 persons & Jesus arrival with 2 angels in 2 yellow sheets (as wheat is wrapped with 2 yellowish hay) on mosque aqsa where white tower was there. (9) The Bongir is prophecised among Hinduism as the land of Mahdi's rising world wide in the form of Vaman Avtar. It's mentioned in 1000 names of Shiva that Waman Avtar, Varaha Avtar himself is Lord Shiva. And all signs proved that he is the Jesus of second coming the Mahdi whom the Christians, Jews & Muslims are awaiting. (10) The prophecies about Peacock Angel's appearance for Mahdi also came true in the valley (metaphorically Lalish). (11) There will be no more Daabbatul Ard the prophecised animal to emerge from real Safah Hill of Makkah now as prophecies already fulfilled. (12) All strong & weak hadiths related to this Daabbatul Ard the Peacock are proved to be 100% true leaving no room for any other animal to emerge again. Daabbatul Ard prophecy was actually a complete time, situation bounded 6th scene connected with the immediate previous scenes of Mahdi & Maseeh Dajjal in series along with 3 Tsunamis. Muslims misunderstood about those scenes of Daabbatul Ard to happen in real Safa Hill of Makkah as they never thought of their interpretations coming true in India in Safah hill like rectangular place in presence of Mahdi. If all Holy prophecies of Sunni Muslims Hadiths & Biharul Anwar are joined then any person can understand this easily. And it's not the Beast of NT Bible Rev.13 as this chapter is all about the Antichrist666 the PseudoChrist & his religious dynasty.

A Question from all Muslims who believed Quran, Hadiths & Allah's promises?

When Allah has given all the signs, descriptions of Peacock bird to emerge as Daabbatul Ard for Mahdi in the riddle form then how come any other animal can emerge? Did Allah ever give them any other animal's emergence prophecies in Quran & Hadiths apart from Peacock? Did Allah not say that prophet's visions are partially metaphorical along with literal scenes in Quran & Hadiths? Did Allah not already inform mankind that these prophecies will be sealed till Mahdi's arrival & did those sealed prophecies not come true in India? Did Allah go against his promises? Why do they seek excuses to unbelieve this authentic fact of Peacock's speaking? Simple Peacock's emergence for Mahdi was maintained as high secret by Allah which amazed the Muslims. Should they not thank Allah & accept Mahdi now as their King? Allah gave all the descriptions of Peacock to emerge as Speaking animal for Mahdi in 2015 A.D. And mankind has named those descriptions certifying animal as Peacock, Taoos, Mayura, colorful Ostrich etc. All the prophecies were having the Peacock's prophecy in its descriptions but name "Peacock, Taoos, Mayura'Colorful Ostrich etc" were not given.

Note:- Was mankind expecting strange newly created Daabbatul Ard to emerge above the globe & visible in entire sky on both parts of globe during night & day distinguishing between unbelievers & believers? Such prophecy was never there & so how can it come true? How can a small animal from Arabia be seen worldwide by entire mankind? Did any animal earlier go into the Safa hill with staff of Moses (a) & ring of Solomon (a)? Is there any holy book claiming such historical authentic fact & if not then how can it come back from Safa Hill of Makkah? Now what for the Muslims are waiting?

The list of Quran's verses using the word "daabba".

I have found total 18 times the usage of word "daabba" in Quran. It's actually used for all living creatures including mankind, Birds, insects & all other moving animals. There is a big difference between the words "a creature from earth (it can be any animal, short distance flying walking bird also)" & "a creature of the earth (Termites)".

Quran 27:82:- And when the word befalls them, We will bring forth for them **a creature from the earth (*daabbatin minal arz*)** speaking to them, [saying] that the people were, of Our verses, not certain [in faith].

Quran 2:164:- Indeed, in the creation of the heavens and earth, and the alternation of the night and the day, and the [great] ships which sail through

the sea with that which benefits people, and what Allah has sent down from the heavens of rain, giving life thereby to the earth after its lifelessness and dispersing **therein every [kind of] moving creature**, and [His] directing of the winds and the clouds controlled between the heaven and the earth are signs for a people who use reason.

Quran 6:38:-And there is no **creature on [or within] (daabbatin fil arz)** the earth or bird that flies with its wings except [that they are] communities like you. We have not neglected in the Register a thing. Then unto their Lord they will be gathered.

Quran 11:6:-And there is no **creature on earth (daabbatin fil arz)** but that upon Allah is its provision, and He knows its place of dwelling and place of storage. All is in a clear register.

Quran 11:55:-Indeed, I have relied upon Allah , my Lord and your Lord. There is no **creature (daabbatin)** but that He holds its forelock. Indeed, my Lord is on a path [that is] straight."

Quran 16:49:-And to Allah prostrates whatever is in the heavens and whatever is on the earth of **creatures (daabbatin)**, and the angels [as well], and they are not arrogant.

Quran 16:61:-And if Allah were to impose blame on the people for their wrongdoing, He would not have left upon the earth any **creature (daabbatin)**, but He defers them for a specified term. And when their term has come, they will not remain behind an hour, nor will they precede [it].

Quran 8:22:-Indeed, the worst of **living creatures (davvaabi)** in the sight of Allah are the deaf and dumb who do not use reason.

Quran 8:55:-Indeed, the worst of **living creatures (davvaabi)** in the sight of Allah are those who have disbelieved, and they will not [ever] believe -

Quran 22:18:-Do you not see that to Allah prostrates whoever is in the heavens and whoever is on the earth and the sun, the moon, the stars, the mountains, the trees, the **moving creatures (davvaabu)** and many of the people? But upon many the punishment has been justified. And he whom Allah humiliates - for him there is no bestower of honor. Indeed, Allah does what He wills.

Quran 35:28:- And among people and moving creatures and **grazing livestock (ddavaabi)** are various colors similarly. Only those fear Allah, from among His servants, who have knowledge. Indeed, Allah is Exalted in Might and Forgiving.

Quran 45:4:- And in the creation of yourselves and what He disperses of **moving creatures (daabbatin)** are signs for people who are certain [in faith].

Quran 29:60:- And how many a **creature (daabbatin)** carries not its [own] provision. Allah provides for it and for you. And He is the Hearing, the Knowing.

Quran 31:10:- He created the heavens without pillars that you see and has cast into the earth firmly set mountains, lest it should shift with you, and dispersed therein from every **creature (daabbatin)**. And We sent down rain from the sky and made grow therein [plants] of every noble kind.

Quran 24:45:- Allah has created every **[living] creature (daabbatin min maaeen)** from water. And of them are those that move on their bellies, and of them are those that walk on two legs, and of them are those that walk on four. Allah creates what He wills. Indeed, Allah is over all things competent.

Quran 34:14:- And when We decreed for Solomon death, nothing indicated to the jinn his death except **a creature of the earth (daabbatul arz)** eating his staff. But when he fell, it became clear to the jinn that if they had known the unseen, they would not have remained in humiliating punishment.

Quran 35:45:- And if Allah were to impose blame on the people for what they have earned, He would not leave **upon the earth any creature (min daabbatin)**. But He defers them for a specified term. And when their time comes, then indeed Allah has ever been, of His servants, Seeing.

Quran 42:29:- And if Allah were to impose blame on the people for what they have earned, He would not leave **upon the earth any creature (fi hima min daabbatin)**. But He defers them for a specified term. And when their time comes, then indeed Allah has ever been, of His servants, Seeing.

The Verses of Quran about Daabbatul Ard, signs of Allah & the retaliation of aayaat's (signs) rejectors.

Note: - It was very hard for mankind of old age (past era) to understand the Allah's miracles, verses, statements & workings. That's why Allah made mankind invent telecommunications & other technologies to understand his existence. Allah wanted to remove this very big gap of technologies between mankind & Allah. Now mankind has recording systems, telecommunications & many abilities through which he can understand the existence of Allah easily. That's why he promised in Quran to show the miracles among mankind only so that they can believe in him.

Allah is telling that he will avenge all unbelievers of his signs. It mainly includes Messiah Mahdi, Maseeh Dajjal & Daabbatul Ard. After that all 7 signs are actually punishments from Allah started from

low level to high. It means Daabbatul Ard sign is last chance of repentance.

Alimran 3:4:- Surely, those who deny the Signs of ALLAH, shall have a severe punishment. And ALLAH is Mighty, Lord of Retribution.

Here Allah is telling that he will show the signs among mankind itself which means Messiah Mahdi, Maseeh Dajjaal & Daabbatul Ard will be among mankind but people will not be aware till the time appointed. It includes many other signs like discovery of Noah's Ark, Firoun's body, copper flow in world through electricity, controlling of air through fans, telecommunications, aeroplanes etc. So that mankind will believe Allah & his Quran ultimately.

Fussilat 41:53:- "We will show them Our Signs (aayaats) in the universe, and in their own selves, until it becomes manifest to them that this (the Quran) is the truth"

Allah is warning to mankind to march for Allah's work which includes joining Jesus Christ Mahdi for prevailation of Islam. Otherwise Allah will replace them with new ummat.

"If you don't march, he will punish you with a painful torment & replace you by another people & you cannot harm him at all, & Allah is able to do all things." Quran 9:39.

27:75. And there is nothing hidden in the heaven and the earth, but is in a Clear Book (i.e. *Al-Lauh Al-Mahfuz*).

27:76. Verily, this Qur'an narrates **to the Children of Israel most** of that about which they differ.

There is no new Quran to be delivered for Jesus Christ Mahdi who is sent one by Allah. These verses are implying upon him also. It means he will also be called as mad but his character will be very good. He will be falsely blamed by hypocrite Muslims & dragged into false cases. Dragging the sent one of Allah into false cases is mentioned in Quran separately which is satanic act to disturb his holy work. Here Allah is assuring Mahdi also to have faith in Allah & continue his work. Allah is telling to Mahdi also that he will not be able to make spiritual dead people hear the truth.

27:77. And truly, it (this Qur'an) is a guide and a mercy to the believers.

27:78. Verily, your Lord will decide between them (various sects) by His Judgement. And He is the All-Mighty, the All-Knowing.

27:79. So put your trust in Allah; surely, you are on manifest truth.

27:80. Verily, you cannot make the dead to hear (i.e. benefit them and similarly the disbelievers), nor can you make the deaf to hear the call, when they flee, turning their backs.

27:81. Nor can you lead the blind out of their error, you can only make to hear those who believe in Our *Ayat* (proofs, evidences, verses, lessons, signs, revelations, etc.), and who have submitted (themselves to Allah in Islam as Muslims).

27:82. And when the Word (of torment) is fulfilled against them, We shall bring out from the earth a beast to them, which will speak to them because mankind believed not with certainty in Our *Aayaat*.

Quran 24:45:- Allah has created every [living] creature (**Daabbat**) from water. And of them are those that move on their bellies, and of them are those that walk on two legs, and of them are those that walk on four. Allah creates what He wills. Indeed, Allah is over all things competent.

Most of the learned Islamic scholars have given their opinions about the mysteriously prophecised earth's animal's emergence on internet youtube.com . Some of them have seriously tried to prove it as policticians & some as internet, Robots or a strange diabolic animal. But none of them could know that it was angel Jibrael (a) in the form of Peacock.

Just type "Beast earth, Daabbatul ard, qayamat sign" on youtube search engine to see their confused improper ettempts to know the secret of it. They all failed & now must be amazed.

All saying of Quran & Hadiths about Daabbatul Ard (Animal from earth)!

Quran & Hadiths said that Beast from the earth is actually National Bird Peacock of India. Old Syria along with its state Israel will be replaced with India & Andhra Pradesh & it's national Bird Hoopoe (Hud Hud) will be replaced with Natinal Bird of India the Peacock. This Peacock will be actually angel Jibrayeel (s) who will become peacock

to speak for Mahdi from the Boxthorn tree (Gharqad tree) in 2015 A.D. when people will not believe Mahdi despite of his struggles. Mankind may say that “how come Peacock was mentioned in Quran & Hadiths which we couldn’t see but only Mahdi saw it, how it was sealed & why we were all unable to see the simple Peacock’s speaking prophecy despite of its detailed descriptions in Quran & Hadiths?”. Its answer is simple “Mankind was supposed to have all the details with them about Peacock’s speaking for Mahdi but they were not supposed to know it because those prophecies were sealed till 2015 July till unbelieving of people for true Mahdi. Their duty was to act just as a layman because the wisdom & authority was with only Mahdi the Jesus Christ of 2nd Coming”.

Signs & descriptions about Daabbatul Ard’s emergence based upon Quran & Hadiths complete research. They are more than 100 identification proofs about Daabbatul ard covered in 15 points given below. It’s 100% revealed as Peacock but was kept as top secret by Allah till 2015 July! None in the world can disprove this fact! Some new signs about Daabbatul ard will be noticed here which were already there in sealed prophecies but never understood by people. They are revealed by me now with proofs which may surprise Muslims. But ultimately on investigations they are proved true. All strong & weak hadiths are joined together as they all came true. Read complete book of proofs for perfect investigation. After all a prophecised miracle is revealed & mankind’s surprise is natural. There is big difference between the knowledge of common Islamic scholars & devine knowledge of Jesus of 2nd coming as Mahdi. Investigate completely with patience without raising any queries in advance.

(Note:-In Biharul Anwar Hadiths the prophecies of Daabbatul Ard are mentioned separately & the prophecies of white Bird’s pledging alliance to Mahdi are mentioned separately. But when we see the descriptions of Daabbatul Ard like its being a bird, having beak etc then we come to know that the same daabbatul ard is mentioned in two styles in Biharul Anwar Hadiths. One as a white Bird & another as Daabbatul Ard. It’s just like the

hadiths of Sunni Muslims about 2 angels with Isa son of Maryam's arrival & 2 persons going round kaaba with Isa ibne Maryam. Both 2 angels & persons means the same. Here also angel Jibraeel (a) in the white bird form is none other than the Daabbatul Ard. Remember after all the prophecies are in riddle form & sealed for common mankind only to be unveiled by true Mahdi. So as true Mahdi I am revealing to you because they are naturally unveiled now with me.)

Riddle form prophecies are given below as references:-The symbolic riddle form prophecies about Daabbatul Ard were actually through vision of Mohammed (a) based on which he narrated below given hadiths. The interpretations of those visions about Daabbatul Ard came true in India. All places shown in the vision were metaphorical in sense & those scenes came true in similar places as shown in the vision. Scenes, characters, time period are literal as it is but in similar places of those places shown in the visions. The scenes happened correctly on time, situation, location, dates etc but not in Makkah. Those all scenes happened in India proving the places names of the prophecies as metaphorical. The scenes are same but happened on other metaphorical places.

- 1) **The emergence of the Daabbatul Ard is actually a complete prophecised scene in many parts of Hadiths & Quran. It is only one single creature to emerge & not the group. But later a group of other creatures including was supposed to join certifying the speech of Daabbatul Ard. Uptill now it was not read jointly. And it's not just normal speaking of an animal without the presence of Allah's apostle Mahdi. Daabbatul Ard is very big sign of world's end mentioned in Quran 27:82. In this verse the word "Aayaat" actually points to Isa son of Maryam the Mahdi when investigated in detail because there are 10 major aayaats of end world's end mentioned in Hadiths also. Both topics contain "Daabbatul Ard" & "Aayaat" words. And hadiths say the main reason of it's speaking is Mahdi's rejection by mankind. When mankind will not believe him then Allah will bring out this creature to speak in his favour. The corresponding hadith to this Quran 27:82 is discovered in Biharul Anwar Hadiths which say that first the angel Jibraeel (a)**

will pledge alliance to Mahdi in the form of a white bird because people will not believe in him. The Quran 27:82 & this hadiths coincide perfectly. And Hadiths of Biharul Anwar also say that first Mahdi will call to Allah in distress certifying verse Quran 27:62 & then Allah will respond to him. And how Allah will respond to him is mentioned in another hadiths of the angel Jibraeel (a)'s pledging alliance to Mahdi in the form of white Bird which will also make loud cry, shout & speak. So the Quran 27:82, 27:62, Angel Jibraeel (a) in white Bird form, Quran 42:51 & Towba:128 are all interlinked which mankind didn't understand. The plague germs of Rat are not single but they are many. And those germs are not the Quran's 27:82 prophecised speaking animal.

Quran 27:82:- And when the word of end will be about to happen upon them, We will bring out for them *a creature* from the earth (*daabbatin minal arz*) speaking to them, because the mankind were not believing in our Our Signs (Aayaats of end days including 10 major aayaats as per hadiths, the Jesus Christ Mahdi).

Quran 42:51:- And it is not for a man that Allah should speak to him except by revelation or from behind a veil or by sending a messenger to reveal by His command what He pleases. Surely, He is High, Wise.

A Messenger has come to you from among yourselves. Your suffering is distressing to him. He is deeply concerned about you, and is gentle and merciful to the believers. (Surat at-Tawba: 128)

Hadiths:- 156- Ghaibat Nomani: It is narrated from Ali bin Ahmad from Ubaidullah bin Musa from Harun bin Muslim from Masadah bin Sadaqah from Abdul Hamid Tawil from Imam Muhammad Baqir (a.s.) regarding the verse:

"Or, who answers the distressed one when he calls upon Him and removes the evil, and He will make you successors in the earth." (Surah Naml 27:62)

"This verse is revealed about the Qaim (a.s.) and Jibraeel who sits on the spout in the form of a bird. Jibraeel will be the first to pay allegiance

to the Qaim and then the three hundred and thirteen companions will pledge allegiance. Those (of the Qaim's companions), who are able to travel will arrive in time and those who cannot would disappear from their beds. It is the same that is mentioned in the saying of Allah: "Therefore hasten to (do) good works; wherever you are, Allah will bring you all together." (Surah Baqarah 2:148)

(Note:-For further detail investigations kindly read the entire book along with references given)

- 2) **It will first emerge during forenoon; it will also speak during the evening time of Haj when people will be returning to Mina on Friday. In this year of it's emergence the goat sacrifice day will come on Friday when Haj pilgrims will be returning to Mina in Makkah.**

Reference:-7- Shaykh Muhammad bin Hasan Hurre Amili has written a comprehensive book on the discussion of Rajat entitled: Al-Iqaz Minal Hujjata bil Burhan Ala Rajat. In addition to these there are other scholars who have written books about the proof of occultation of Imam Qaim (a.s.) in which they have mentioned Rajat. Even though they have not written a separate book on to his topic and we should also know that most of our scholars have written separate books. And before this you have seen that great scholars, whose greatness cannot be doubted, have narrated traditions about Rajat.

Allamah Rahmatulla has written in Khulasatul Rijal in the account of Maisar bin Abdul Aziz that Aqiqi has said that Aale Muhammad (a.s.) have praised him and he used to hold debates on the subject of Rajat. In Tafsir Majmaul Bayan Shaykh Aminuddin Tabarsi has written in the explanation of: "And when the word shall come to pass against them..." (Surah Naml 27:82)

When the chastisement became certain on them and its meaning is also explained that when they became such that neither anyone of them can get salvation nor anyone can get salvation through them. And it can also be said that when the Almighty Allah became infuriated at them and also that when chastisement will come on them in the near Hour: "We shall

bring forth for them a creature from the earth that shall talk to them, because people did not believe in our signs." (Surah Naml 27:82) And it will come out between Safa and Marwah and will tell the believer that he is a believer and tell the disbeliever that he is a disbeliever. Time of repentance will end and no one's repentance will be henceforth accepted and it will be a sign of Qiyamat. It is narrated from Ibne Umar and it is also said that there will be no believer that he does not touch and no hypocrite will remain whose nose he does not mark and he will come out on Friday eve, when people will be heading to Mina.

Note:-Daabbatul Ard to emerge during Hajj Period when People will be heading towards Mina which is second return to Mina next day of Idd. It means it should be Friday evening in India 2015 Idd. So it was between Thursday till Saturday 2015. So the evening time, forenoon time also certified about Daabbatul Ard's speaking. It's speaking scenes happened for 40 days total but with gaps in between 7th July 2015 till 7th October 2015. One day of July 7th July, then 15th Sept 2015-7th October 2015=23 days & 17 times on other days.

(On 24 September 2015, a [crowd collapse](#) caused the deaths of at least 2,236^[3] pilgrims who were suffocated or crushed during the annual [Hajj](#) pilgrimage in [Mina](#), [Mecca](#), making it the deadliest Hajj disaster in history. Hajj with animal sacrifice & stonings is done on 10th Zulhaj. Idd is celebrated on this day. People return to Mina again on 1st the day to 13th next day after Idd. It is also customary for the pilgrims to return to Mina between the 11th and 13th--for the third time--where they cast their remaining pebbles at each of the three pillars, seven stones at each pillar on each of the days they are there, for a total of either 49 or 70 pebbles. They also visit with other pilgrims).

Hadiths:-The first of the signs to appear will be the rising of the sun from the west, and the emergence of the beast to mankind in the **forenoon**. Whichever of them appears first, the other will follow close behind it.[Reported By Muslim in his Sahih]

Abdullah-bin-Umar said, *"I memorized a Hadith from the Messenger of Allah (s) which I have not forgotten. I heard the Messenger of Allah (s) say, 'The first of the Signs that will come is the rising of the sun from the place of its setting and the emergence of the Daabba to people in Dhuha (later portion of the morning, forenoon). Whichever of these two occurs before the other, then the other is right behind it.'"* (Sahih Muslim)

- 3) **It will cover 3 days distance in a single step & it will have stick of Moses (s) along with seal of Prophet Sulaiman (a) on its end. Safa & Marwa verses of Quran were also supposed to be certified by Mahdi through its emerging place. It will have chest like Lion's, Color of tiger & cheetah, neck like an Ostrich. And attributes of many animals in it. It will have fur, hairy body, ears like elephant, eyes like swine, legs like camel, horn like Hippo, Horns like stag. It's tail will be like deer & lamb, it's body will be like horse, it will run like camel. It will have four limbs, beak, beard & a face like humans also. It will have head like bull, hands like monkeys & it will have haunches like cat. It will have wings & its single step will cover 60 cubits (90 feet or 60 feet) distance. It will cruise on earth like a star but none will be able to catch it. It will have length 70 inches, 12 inch distance between 2 pair of leg joints, 60 inches height (note:-metaphorically given in cubits).**

Reference:-"...It will cover three-days distance in one step..." (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

Note:Nowadays, thanks to Allah for computers and internet, data (vdeos also) can be transferred to the other end of the world in seconds and all people can be reached. Everybody can see the Peacock speaking for Mahdi worldwide within seconds mashallaah.

Features and Qualities of the Beast:

Ibn Jurayj reported that Ibn Az-Zubayr[ra] described the beast in such words, *"Its head is like the head of a bull (matched with pkok), its eyes are like the eyes of a pig (matched with pkok), its ears are like the ears*

*of an elephant, its horns are like the horns of a stag, its neck is like the neck of an ostrich(matched with pkok), its chest is like the chest of a lion(matched with pkok), its color is like the colour of a tiger(matched with pkok), its haunches are like the haunches of a cat (when sits appeared to be like cat sitting sitting position appearing like that of a sitting cat), its tail is like the tail of a ram, and its legs are like the legs of a camel. Between **each pair of its joints is a distance of twelve cubits (metaphorically means 12 inches)**. It will bring out with it the staff of Musa and the ring of Sulayman (a) means a white stick with a ring like structure on its end). There will be no believer left without it making a white spot on his face, which will spread until all his face is shining white as a result; and there will be no disbeliever left without it making a black spot on his face, which will spread until all his face is black as a result, then when the people trade with one another in the marketplace, they will say, 'How much is this, O believer' 'How much is this, O disbeliever' And when the members of one household sit down together to eat, they will know who is a believer and who is a disbeliever. Then the beast will say: 'O so-and-so, enjoy yourself, for you are among the people of Paradise.' And it will say: 'O so-and-so, you are among the people of Hell,' (Those believers of this Peacock miracle will be considered as true Muslims & all unbelievers as Hypocrites. Its means marking the noses & foreheads of mankind by Daabbatul Ard)*

Narrated from Ibn Abbas: "Its face looks like human face, its **Beak is hairy...**" (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

(It looks like a human being talking, & its beak (some part of skull) is having hair. Beak is with the Peacock a Bird)

Its face looks like human face: With the statement "its face looks like human face", it is denoted that Dabba will have characteristics similar to humans. **(My note:-** Remember Angel Jibrael (a) had adopted human form also in past for Mother Marium & Mohammed (a). So in Hadiths it is said that this Bird is actual angel Jibrael (a). So this hadiths metaphorically points to Human face of Angel Jibrael (a) but not the other man. This means it's angel Jibrael (a) who also had human face earlier)

Its beak is hairy: The term “its beak is hairy” denoting to the little hair available on the beak parts of a Peacock.....

Narrated from Hudhaifa: **“No one will be able to catch up with him and the one escaping it will not be able to avoid.”** (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

(People especially in India are not allowed to catch up the Peacocks & those who escape from it are unable to avoid it also. And when it gave witnesses people cannot even avoid its witness for Mahdi who is one of the biggest signs of Allah. The foolish, ignorant, hypocrite persons will become spellbound after seeing the Peacock as “revealed Daabbatul Ard” speaking for Mahdi whom they called wrong.)

Today, it is impossible to reach the speed of Daabbatul Ard's Peacock's message spreading through Real Mahdi from youtube. And every living person having eyes can see Dabba certifying Mahdi's statements.

These Miracles are for those who even do not want to listen to the Qur'an and the advice of the Muslims, will absolutely be able to learn Allah's Mighty power and the morality of the Qur'an and they will not be able to run away since internet enters every house, phones etc.

Narrated from Abu Huraira: **“All sorts of colors are available in Dabbat al-Ardh”** (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

(16.8 Million colors can be made from the colors of Peacock color combinations. Its white, yellow, blue, green, red shades on the peas, pink, indigo, violet, orange, brown, black)

Narrated from Abu al-Zubair, **“...Its eye is like the eye of swine, and its ear is like the ear of an elephant...”** (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)(it points to the properties of eye of a swine and elephant's ear, it may be physical or the qualities also. So the audibility of peacock is equivalent to an elephant & its eyes are like swine. For example sometimes we say “his eyes are like an eagle or he is like swine monkey or angel. So the prophetic meaning can also point to its likeness or its attribute also. An animal destined to speak out to certify signs of Allah cannot be diabolic like Satan but should be like an angel beautiful loveable & peaceful. Because Allah is Peace & Islam is same. Mahdi is sign of good luck, rains, vegetation, heavenly kingdom & so also the dabbatul Arz who is now revealed as Peacock.)

“...It will cruise on Earth like a star. Those chasing it will not be able to catch up with it, and those escaping from it will not be able to avoid it.”(Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

(People out of love & ambition to get it they run after Peacock but they are unable to catch it)

And it is narrated from Muhammad bin Kaab Qurzi that Imam Ali (a.s.) was asked about Dabbatul Ardh and he said: That Daabba will not have a tail, on the contrary he will be having a beard and this reply implies that he will be human.

Ibne Abbas has narrated that he will be a quadruped of the earth. His body will have fur and hair and he will have four legs.

Huzaifah has narrated from the Messenger of Allah (s.a.w.s.) that he said: Dabbatul Ardh will **be seventy cubits in length**(it metaphorically points to 70 inches) and he will move at such speed that no one will be able to catch him. He will mark the foreheads of the believers that they are believers and mark the forehead of the disbelievers that they are disbelievers. He will have the staff of Prophet Musa (a.s.) and the ring of Prophet Sulaiman (a.s.). He will mark the faces of the believers with the staff and the noses of the disbelievers with the ring, seeing which all will be addressed as: 'O believer' and 'O disbeliever'.

It is also narrated from the Messenger of Allah (s.a.w.s.) that Dabbatul Ardh will come out three times. The first time he will come out from the side of Medina (A little away from city, in a deserted area) and his news will spread all over the desert (remote deserted area); but his news will not reach Mecca (it means its news will not reach the village of Mahdi). Then he will live for a long time and after that the second time he will come out at Mecca; at that time his news will spread in the whole desert and also in Mecca (Its news will reach even to the village of Mahdi & also the deserted remote place from where it spoke). Then one day people will come to Masjidul Haraam and he will not threaten them and remain in the corner of the Masjid and even if he comes near, people will run to the right between Hajar Aswad and between Bani Makhzum and he will pass through the people dusting his head (these people are family of Mahdi & Peacock passed dusting its head without threatening by shouting). His face would be shining like a brilliant star. Then he will

enter the earth (it means it shall die or go back into earth if its an angel from earth or hide itself in the earth's cave or under rocks) and no will be able to get him and people will stand up to pray to get refuge from him (people won't be able to find him physically but also wish that its speaking to be removed through internet youtube videos). He will approach them from the rear and say: O so and so, you are praying now (its speaking through youtube videos only as already it has gone back physically but still remains in videos)? He will mark the faces of the people, which will distinguish the believers and disbelievers. Now people will address each other as: 'O believer' and 'O disbeliever'.

Wahab has said that the face of the Dabbatul Ardh will be human and the body will be that of a bird. After that the Almighty Allah has said: ". . .shall talk to them ..." (Surah Naml 27:82)

That is he will talk to the people about that which they would not like (It means people will not like its certification for the Jesus Christ Mahdi). He will talk to them in a tongue, which they could understand and say: All of them are destined to Hell. It is also said that he will say: He is a believer and he is a disbeliever. He will tell the people: "...people did not believe in Our Aayaats (*It means Peacock will certify Jesus Christ's statements by speaking in its own tongue. Here aayaats pertaining to end means "Jesus Christ Mahdi. I have already proved above"*)." (Surah Naml 27:82)

The descriptions given by our master the Prophet about the *Dabba*, are :- the *hadith-i sharifs* written in the books *Faraid-ul-fawa'id*, *Mukhtasar-i Tadhkira-i Qurtubi*, *Magharib-uz-zaman*, and *Al-Qawl Al-Mukhtasar fi Alamat Al-Mahdi Al-Muntazar*, a few are as follows:

***Dabbat-ul-ard* has four feet like the feet of a camel and wings like a bird. Its head is like the head of an ox. Its ears are like the ears of an elephant. Its tail is like the tail of a ram. (2 limbs are developed into wings of a bird & other 2 are used as legs. Peacock also crawls with feathers sometimes touching the ground like crawling half way. 4 limbs (Peacock also have 4 limbs like camel , front two are developed into wings & other two are used in walking. It's**

symbolical to confuse mankind & have intelligent answers hidden with these symbols))

From rexresearch.com

(Note:-This website have obtained hadiths from various sources & quoted them here.The sources are not mentioned)

"This will be the last opportunity to repent to Allah, for then he will close the door of mercy. The Earth will quake and Mt. Safaa near Mecca will split open. Dabbah al-Ard will come forth from the crack. His face will be human, but with horns on his head; *his body as a horse*, his legs like a camel's while his rump is of a deer (the hind part of the body of a mammal or the lower back of a bird), and his tail is of a cow. He will be **60 cubits tall**. In one of his **monkey hands** he will hold the staff of Moses, and on the other hand he will wear the ring of Solomon. He will stride the Earth at great speed, and as he travels he will mark the forehead of believers with the staff of Moses [Mu'mim]. Their faces will then shine bright as the moon. But the unbelievers will be stamped with Solomon's ring, and their faces will become black and horrible. Thus will the believers and unbelievers be distinguished. Then Dabbah **al-Ard will disappear as suddenly as he manifested**. Then Allah will hold the Day of Judgment." (Must be mahsher where Mahdi lives, all will take their shelter inshaallaah taalla)

Other descriptions of Dabbah al-Ard state that he will be about 120 long. He will visit every person on earth and speak to each in their own language. According to a hadeeth narrated by Hadhrat Huzaifah (R.A.) Rasulullah (Sallallahu Alayhi Wasallam) has mentioned the emergence of the beast from the ground as one of the final signs of Qiyamah. This animal will be most strange and fascinating in its appearance and action. It will speak to the people. It **willnot be born as other creation is born, but will appear miraculously from the ground (It means that Peacock will be an angel who will come out of earth on orders of Allah as Peacock & speak to mankind)**. According to a Hadeeth recorded in Ibn Katheer and narrated by Hadhrat Talha bin Umar (R.A.) the following is mentioned:

"As the animal emerges from the ground, it will be **dusting the sand off its head. It will proceed towards the area between Hajrul Aswad and Maqaamul Ibraheem (the father of nations & friend of Allah or**

father of many children. It metaphorically means the Mahdi who will be father of many children living at one corner opposite to the Safa Hill like place with black stones). The people on seeing it will flee in all directions, except for one group of people (**Mahdi's family**). It will approach this group and illuminate their faces like shining stars (it approached also). Thereafter it will set out and travel throughout the whole world (at a great speed, it means the news of it through internet visible by all worldwide in fraction of seconds). It will mark the faces of the Kuffar and none will be able to escape it".

Dabbatul ard:- It will proceed towards the area between Hajrul Aswad and Maqaamul Ibraheem. The people on seeing it will flee in all directions, except for one group of people. It will approach this group and illuminate their faces like shining stars. (Muslim, Tirmidhie)

My Note:-It is narrated that this animal will have the staff of Sayyidena Moosa (A.S.) with which it will mark the faces of the Mu'mineen causing it to glitter while it will mark the necks and noses of the Kuffar with the ring of Sayyidena Sulaiman (A.S.) causing their faces to be blackened. Most scholars are of the opinion that this animal will speak the normal and general things to the people. Before the emergence of this animal there will be rumor on two previous occasions about its emergence, once in Yemen and once in Najd (Means many Islamic scholars will be giving their ideas about the animal. So it happened). After performing its duty the **animal will disappear**.

Prophecy about Allaah's answering to Mahdi & his little ones after many tests like gold & silver. After Mahdi's virtual death in role of Khandoba & Zechariah 13:17 the 2 places being perished for him then 3rd remains. One rented house, another own house in upperpally & third is Bhongir where Allaah answered through angel Jibraeel on my call in the form of Peacock. Quran 27:62 say about Mahdi's call to Allaah in distress & his answer. And chapter 13 of 2 Esdras also certify Mahdi shelter upon a mountain hill

from attacks of evil gang. Remember Hadiths say Mahdi & his persons not more than 30 & for just 30 people why so big wars?

Study Bible Zechariah 13:7 OT Bible. (My Note:-This scene happened with first coming of Jesus & was supposed to be repeated in different style in his second coming for its certification. So it all happened with me (the Mahdi). It is Allaah will to allow evils to attack Mahdi & then see how Allaah shall strike the unbelievers with fire etc. Hadiths also certifies this scene separately as demolition of Kaaba (Jesus the temple of Allaah) & his house the kaaba (temple of Allaah). The 2 scenes of Mahdi have 2 houses & it co-incide with 2 lands of Zechariah 13:8).

The Shepherd Struck, Sheep Scattered

(Before these verses Allaah is telling that prophethood will be banned & none will prophecy. This points to the Muslims with same faith. And then these verses follows)

7"Awake(**points to night time, it means don't sleep be awake**), O **sword(Saif)**, against My Shepherd, against the man, My Associate (**Points to Jesus Mahdi**)," Declares the LORD of hosts. "Strike the Shepherd that the sheep may be scattered (all family members the believers will be scattered); And I will turn My hand against the little ones(**it shows Jesus wife shall die & remaining Jesus's little children**). **8"**It will come about in all the land, Declares the LORD, That two parts in it will be cut off and perish; But the third will be left in it. **9"**And I will bring the third part through the fire, Refine them as silver is refined, And test them as gold is tested(**The believers of Allaah & Jesus shall be tested, refined through problems**). **They will call on My name, And I will answer them; I will say, 'They are My people,' And they will say, 'The LORD is my God.'**"...(**My note:-This points to Jesus Mahdi's calling to Allaah in distress with Allaah's answer through angel Peacock & Allaah's answer to Ummat e Madooda, the children of Mahdi. This scene is very next after the attacks of evil people upon Mahdi in 2012, 2013 & 2014 Sept 18). As a sign my 2 houses were gone but 3rd remained at Bhongir. And it also implies upon entire**

world where Allaah shall end up 2/3rd people. The demolition of kaaba is also mentioned in Hadiths referring to Mahdi's house demolition. 2 lands points to 2 living places of Mahdi. One scene was "house surround" was over in 2012 may 14 & another in 2014 18th Sept. then in 2015 July Daabbatul Ard Angell Jibraeel (a) appeared in Peacock form answering Mahdi & his children with 3 believers & 2 Hindu witnesses)

2 Esdras Chapter 13 about evil gang attack upon Mahdi & Mahdi's becoming humble!

Apocrypha: 2 Esdras Chapter 13

1 And it came to pass after seven days, I dreamed a dream by night:

2 And, lo, there arose a wind from the sea, that it moved all the waves thereof.

3 And I beheld, and, lo, that man waxed strong with the thousands of heaven: and when he turned his countenance to look, all the things trembled that were seen under him.

4 And whensoever the voice went out of his mouth, all they burned that heard his voice, like as the earth faileth when it feeleth the fire.

5 And after this I beheld, and, lo, there was gathered together a multitude of men, out of number, from the four winds of the heaven, to subdue the man that came out of the sea

6 But I beheld, and, lo, he had graved himself a great mountain, and flew up upon it(My note:-Points to Bhongir hill).

7 But I would have seen the **region or place whereout the hill was graven**, and I could not.

8 And after this I beheld, and, lo, all they which were gathered together to subdue him were sore afraid, and yet durst fight(**Afraid due to Police arrival against them but still were fighting**).

9 And, lo, as he saw the violence of the multitude that came, he neither lifted up his hand, nor held sword, nor any instrument of war:

10 But only I saw that he sent out of his mouth as it had been a blast of fire, and out of his lips a flaming breath, and out of his tongue he cast out sparks and tempests (***Mahdi's using words through telephoning police & becoming humble***).

11 And they were all mixed together; the blast of fire, the flaming breath, and the great tempest; and fell with violence upon the multitude which was prepared to fight, and burned them up every one, so that upon a sudden of an innumerable multitude nothing was to be perceived, but only dust and smell of smoke: when I saw this I was afraid(***It means because of Mahdi's calling Police through a simple telephonic call, all of the evil gang was attacked by Police & all were taken away leaving just silence***).

12 Afterward saw I the same man come down from the mountain, and call unto him another peaceable Multitude.(***This means Mahdi continued his work by coming down from the hill by calling true believers, peaceful people***)

13 And there came much people unto him, whereof some were glad, some were sorry, and some of them were bound, and other some brought of them that were offered: then was I sick through great fear, and I awaked, and said,(***Then ultimately the true people stated joining Jesus the Mahdi***)

14 Thou hast shewed thy servant these wonders from the beginning, and hast counted me worthy that thou shouldest receive my prayer:

15 Shew me now yet the interpretation of this dream.

16 For as I conceive in mine understanding, woe unto them that shall be left in those days and much more woe unto them that are not left behind!

17 For they that were not left were in heaviness.

18 Now understand I the things that are laid up in the latter days, which shall happen unto them, and to those that are left behind.

19 Therefore are they come into great perils and many necessities, like as these dreams declare.

20 Yet is it easier for him that is in danger to come into these things, than to pass away as a cloud out of the world, and not to see the things that happen in the last days. And he answered unto me, and said,

21 The interpretation of the vision shall I shew thee, and I will open unto thee the thing that thou hast required.

22 Whereas thou hast spoken of them that are left behind, this is the interpretation:

23 He that shall endure the peril in that time hath kept himself: they that be fallen into danger are such as have works, and faith toward the Almighty.

24 Know this therefore, that they which be left behind are more blessed than they that be dead.

25 This is the meaning of the vision: Whereas thou sawest a man coming up from the midst of the sea:

26 The same is he whom God the Highest hath kept a great season, which by his own self shall deliver his creature: and he shall order them that are left behind.

27 And whereas thou sawest, that out of his mouth there came as a blast of wind, and fire, and storm;

28 And that he held neither sword, nor any instrument of war, but that the rushing in of him destroyed the whole multitude that came to subdue him; this is the interpretation:

29 Behold, the days come, when the most High will begin to deliver them that are upon the earth.

30 And he shall come to the astonishment of them that dwell on the earth.

31 And one shall undertake to fight against another, one city against another, one place against another, one people against another, and one realm against another.

32 And the time shall be when these things shall come to pass, and the signs shall happen which I shewed thee before, and then shall my Son be declared, whom thou sawest as a man ascending.

33 And when all the people hear his voice, every man shall in their own land leave the battle they have one against another.

34 And an innumerable multitude shall be gathered together, as thou sawest them, willing to come, and to overcome him by fighting.

35 But he shall stand upon the top of the mount Sion.

36 And Sion shall come, and shall be shewed to all men, being prepared and builded, like as thou sawest the hill graven without hands.

37 And ***this my Son (Messiah Mahdi, my son means Abdullaah)*** shall rebuke the wicked inventions of those nations, which for their wicked life are fallen into the tempest;

38 And shall lay before them their evil thoughts, and the torments wherewith they shall begin to be tormented, which are like unto a flame: and he shall destroy them without labour by the law which is like unto me.

39 And whereas thou sawest that he gathered another peaceable multitude unto him;

40 Those are the ten tribes, which were carried away prisoners out of their own land in the time of Osea the king, whom Salmanasar the king of Assyria led away captive, and he carried them over the waters, and so came they into another land.

41 But they took this counsel among themselves, that they would leave the multitude of the heathen, and go forth into a further country, where never mankind dwelt,

42 That they might there keep their statutes, which they never kept in their own land.

43 And they entered into Euphrates by the narrow places of the river.

44 For the most High then shewed signs for them, and held still the flood, till they were passed over.

45 For through that country there was a great way to go, namely, of a year and a half: and the same region is called Arsareth.

46 Then dwelt they there until the latter time; and now when they shall begin to come,

47 The Highest shall stay the springs of the stream again, that they may go through: therefore sawest thou the multitude with peace.

48 But those that be left behind of thy people are they that are found within my borders.

49 Now when he destroyeth the multitude of the nations that are gathered together, he shall defend his people that remain.

50 And then shall he shew them great wonders.

51 Then said I, O Lord that bearest rule, shew me this: Wherefore have I seen the man coming up from the midst of the sea?

52 And he said unto me, Like as thou canst neither seek out nor know the things that are in the deep of the sea: even so ***can no man upon earth see my Son, or those that be with him, but in the day time.***

53 This is the interpretation of the dream which thou sawest, and whereby thou only art here lightened.

54 For thou hast forsaken thine own way, and applied thy diligence unto my law, and sought it.

55 Thy life hast thou ordered in wisdom, and hast called understanding thy mother.

56 And therefore have I shewed thee the treasures of the Highest: after other three days I will speak other things unto thee, and declare unto thee mighty and wondrous things.

57 Then went I forth into the field, giving praise and thanks greatly unto the most High because of his wonders which he did in time;

58 And because he governeth the same, and such things as fall in their seasons: and there I sat three days.

Prophecy of Angel Jibrael (a)'s speaking along with Jesus the Mahdi in Bible. Logically this verse supports speaking of Daabbatul Ard for Mahdi just like Biharul Anwar prophecy of angel Jibrael's making voice for Mahdi & pledging alliance to him first.

1 Thessalonians 4:16

Note:- Allah makes the pious men speak the hidden or lost prophecy as a testimony for believers. So these words perfectly matches with me , angel Jibrael (a) voice in Peacock form & then blowing of trumpet sign (sun rise from west or driving Fire)

The Return of the Lord

...**15** By the word of the Lord, we declare to you that we who are alive and remain until the coming of the Lord will by no means precede those who have fallen asleep (*it means the true believers will also be spiritually re-incarnated during second coming of christ who will join as true believers*). **16** For the Lord Himself will descend from heaven with a loud command (proclaiming aloud the orders of Allah worldwide through internet), with the voice of an archangel (Voice of angel Jibrael (a) in Peacock form speaking for Christ), and with the trumpet of God, and the dead in Christ will be the first to rise (along with many martyrs reincarnations, with the announcement of doomsday & with the few chosen souls, the family of Mahdi). **17** After that, we who are alive and remain will be caught up together with them in the clouds to meet the Lord in the air. And so we will always be with the Lord. (*It means those believers will be somehow becoming followers of the Christ through internet media which is always on air & fly away to Mahdi the Jesus by planes in clouds*)

Safa Marwah certification through similar land

And remember that the certification of the Quran's verses related to Safa Marwa were required in the land of the Jesus Christ Mahdi. Because he is the certifier Rasool for all prophets whoever brought holy books. And prophet Mohammed (s) also brought Quran from Allah along with hadiths.

So certification of these books was also required. Quran tells about Safa & Marwa and Hadiths say that the Daabbatul Ard will emerge from it. And as per Quran, Hadiths, Bible, Ved & Puran Mahdi was supposed to be in India. And for the witness of a true thing another truth is required. Self witness is not efficient but another witness is required.

And that land is revealed in Telangana State, Inda, Nalgonda district, Bhongir having similarity with Safa & Marwa. It doesn't mean that this place is the real Safa & Marwah but Allah has certified these verses through a similar land. As per Quran Alimran verse 81, Al-Ahzaab verse 7, Allah was supposed to send another rasool after Mohammed (s) certifying the Rasool Nabi (apostle prophet) Mohammed (s) also. So it's certified now mashallaah. Those verses are given below.

Quran 3:81 *And remember the time when Allah took a covenant of the people of the book through the **Prophets (ambia)**, saying: 'Whatever I give you of the Book and Wisdom and then there comes to you a Rasool (an apostle), fulfilling (certifying) that which is with you (the prophecies, holy books), you shall believe in him and help him.'* And He said: 'Do you agree, and do you accept the responsibility which I lay upon you in this *matter*?' They said, 'We agree;' He said, 'Then bear witness, and I am with you among the witnesses.'

The same covenant is again taken by Mohammed (s) also because he also gave many prophecies of end days including, Daabbatul Ard, Jesus Christ Mahdi's arrival & Maseeh Dajjaal. So their coming true on its time during end days are practical certification of the prophecies as mentioned in Alimran-81. Its also true that Mohammed (s) was also a true certifier of old holy books but again the prophecies of his were supposed to be certified by another rasool & that's Jesus Christ Mahdi. In the Alimran 3:81 kindly see the words "Rasool (apostle)" & "Ambia (prophets) used separately which implies upon prophet Mohammed (s) & even upon Jesus Christ the Mahdi who is only an apostle (sent by Allah which means Rasool). But Islamic Scholars thought that this verse is only for Mohammed (s) the last prophet. But they ignored the main question "who will certify the prophecies of this Rasool (sent one) the last prophet?". Will his prophecies be left without certification? Will the verse of Quran be proved wrong? That's why Allah has separately mentioned Mohammed (s) also in Alahzaab verse 7. This clearly proves that another rasool was supposed to come to certify prophet Mohammed (s)'s prophecies also. And if his arrival is denied or unbelieved then entire Quran, Hadiths, prophets are denied.

Quran 33:8:- And *remember* when We took from the Prophets (Nabeena, the ambia) their covenant, and from you (Nabi Mohammed (s)), and from Noah, and Abraham, and Moses, and Jesus, son of Mary, and We *indeed* took from them a solemn covenant;

Quran 33:9:- That He may question the truthful about their truthfulness. And for the disbelievers He has prepared a painful punishment.

Another similar land like Safa Hill & Marwa was required for certification of original one:-To certify these verses of Quran & hadiths about Safah Marwah another similar rectangular land with Hill & house of Mahdi with many children was required. So it happened. This fulfillment of prophecies about Daabbatul Ard certifies the Quran's verse about Safah & Marwah. So our dearest the most loving kind, the most merciful Allah has certified the Safa & Marwa verse of Quran through this land of Bhongir whose prophecies are with Hinduism also. It's mentioned in Hinduism that Vaman avtar will measure the entire world from a single step land. This land will be obtained by Tribhuvana which means the conqueror of 3 worlds. And it also means Bhuvana & that king used to live on the hill (giri in telugu language) that's why its called as Tribhuvanagiri & from it derived the word "Bhongir".

Allah's promises in the form of Prophecies about Daabbatul Ard fulfilled along with certification of Safah Marwah story to be true.

Al-Safa and Al-Marwah are also mentioned in the Qur'an.

Behold! Safa and Marwa are among the Symbols of Allah. So if those who visit the House in the Season or at other times should compass them round, it is no sin in them. And if any one obeyeth his own impulse to good,- be sure that Allah is He Who recogniseth and knoweth.

— Sura 2, Al-Baqara, Ayah 158

- 4) **It will emerge in the year with Mahdi's re-appearance. There are many occultations of Mahdi after his short appearances apart from 2 major occultations. Mahdi would have already appeared in 2012 A.D. & invited people to join him again in 2012 A.D. Ramzan but none will come forward. Then in year 2015 A.D. the sun, moon, planets & stars will all come together. In the same year Ramzan 2015 Daabbatul Ard will emerge (Note:-It happened in 2015 A.D.).**

Reference:-

Ali bin Mahziyar Ahwazi 6- Ghaibat Tusi: It is narrated from a group of scholars from Talakbari from Ahmad bin Ali Raazi from Ali bin Husain from a man from Qazwin from Habib bin Muhammad bin Yunus bin Shazan Sanani that he said:

I asked: When will this reappearance be (Mahdi's re-appearance)? He replied: When you would be denied access to Kaaba. When the **sun and the moon come together and will be surrounded by planets and stars**. I asked: Son of the Messenger of Allah, when will this come about? He replied: In so-and-so year, when Dabbatul Ardh will appear between Safa and Marwah. Who would be having the staff of Prophet Musa (a.s.), the ring of Prophet Sulaiman (a.s.). He will usher the people to the field of gathering

167- And through his chains, it is narrated from Ishaq directly from Asbagh bin Nubatah that he said: I heard Amirul Momineen (a.s.) say: And a caller will call out in the month of Ramadan from the east at dawn: O people of guidance, come together and a caller will announce from the west after the disappearance of the glow from the horizon: O people of falsehood, come together. And the next day at the time of reappearance, the color of the Sun will be changed from red to yellow, after that it will become black and dark. On the third day, the Almighty Allah will separate truth and falsehood from each other and the walker of the earth (*Dabbatul Ardh*) will emerge. And Rome will extend till the shore and reach the land where the people of the cave sleep. So the Almighty Allah will bring them out of their cave along with their dog. One of them is named Maleekha and another is named Hamlaha and they shall be the two Muslim witnesses for Qaim (a.s.).”

Third day metaphorically & in prophetic language points to points to 2015 A.D. after 2012 A.D. The year of Daabbatul Ard is after blood moons, sun eclipses:

167- And through his chains, it is narrated from Ishaq directly from Asbagh bin Nubatah that he said: I heard Amirul Momineen (a.s.) say:

And a caller will call out in the month of Ramadan from the east at dawn: O people of guidance, come together **(a call from Mahdi in 2012 A.D. when he becomes 40 years since 1973 A.D.)**: and a caller will announce from the west after the disappearance of the glow from the horizon **(night)**:

O people of falsehood, come together. And the **next day** at the time of reappearance (**means in 2013 A.D.**), the color of the Sun will be changed from **red** to yellow (**a sign in sun**), after that it will become black and dark (**eclipse in 2014 A.D.**). **On the third day (in 2015 A.D.)**, the Almighty Allah will separate truth and falsehood from each other and the walker of the earth (*Dabbatul Ardh*) will emerge. And Rome will extend till the shore and reach the land where the people of the cave sleep. So the Almighty Allah will bring them out of their cave along with their dog. One of them is named Maleekha and another is named Hamlaha and they **shall be the two Muslim witnesses for Qaim (a.s.).**”

Ramadan in 2013 will start on Tuesday, the **9th of July** and will continue for 30 days until Wednesday, the **7th of August. (1st day complete)**

Ramadan in 2014 will start on Saturday, the **28th of June** and will continue for 30 days until Sunday, the **27th of July. (2nd day complete)**

Ramadan in 2015 will start on Thursday, the **18th of June** and will continue for 30 days until Friday, the **17th of July. (3rd day on 7th July Daabbatul Ard spoke, responded)**

Ali bin Mahziyar Ahwazi 6- Ghaibat Tusi: It is narrated from a group of scholars from Talakbari from Ahmad bin Ali Raazi from Ali bin Husain from a man from Qazwin from Habib bin Muhammad bin Yunus bin Shazan Sanani that he said:

I asked: When will this reappearance be (Mahdi's re-appearance)? He replied: When you would be denied access to Kaaba. When the **sun and the moon come together and will be surrounded by planets and stars.** I asked: Son of the Messenger of Allah, when will this come about? He replied: In **so-and-so year** (Here “**year**” is mentioned for Daabbatul Ard which means the 3rd day actually points to 3rd year as mentioned in above hadiths), when Dabbatul Ardh will appear between Safa and Marwah. Who would be having the staff of Prophet Musa (a.s.), the ring of

Prophet Sulaiman (a.s.). He will usher the people to **the field of gathering (Mahsher)**

(Note:-This points to the Mahsher which is also called as Lalish Valley of Judgement among Yezidis of Iran. This also means that the place of Daabbatul Ard's emergence shall be the shelter for world. It means the house of Mahdi in Nalgonda District, Bhongir).

5) **It will mark the faces of believers, hypocrites & unbelievers. Believer's faces will shine & unbeliever's faces will be darkened. It will distinguish between believers & unbelievers. It will approach to a pious praying**

Muslim & say that your prayers are not accepted because of unbelieving it. It will travel worldwide & reach all mankind to mark on their nose, forehead & face. It will speak to mankind & also injure or harm or bite to unbelievers. Its speaking will be unliked by unbelievers & very much liked by true believers only. All people of different languages will be able to hear it's speaking in their own languages. It will be a great sign for the believers & all its unbelievers will be destined for 7th level hell (Quran say all hypocrites will enter in 7th level hell).

It will turn its face towards east with 3 times shouting aloud & then turn its face towards an area equal to Damascus (105km square) with loud shoutings. (Note:-Nalgonda district of A.P. State, India is also exactly 105 km square in size.)

"It will appear three times and shout aloud with a sound audible by everyone between the heavens and the earth." "It will head towards the East and shout aloud, all the ones in the East will hear its sound. It will head towards Damascus and shout aloud. All the Yemenis will hear its sound." (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

(It means physically it will shout aloud turning his head towards east then it will head towards Damascus (symbolically other side of east) & shout aloud, all Yemenis will hear it (Yemenis metaphorically points to believers).)

Ibn 'Abbas, al-Hasan and Qutadah said that "It will speak to them" (tukallimuhum) means that the beast will address the people. Ibn Jarir at-Tabari suggested that the above verse means that the Beast will address the people with the words "'for that mankind did not believe with assurance in Our Signs" (al-Naml 27:82 -latter part of the Ayah). It was also reported from Ibn 'Abbas that tukallimuhum means that the Beast will cut them, i.e., it will write the word "Kafir" on the forehead of the unbelievers. It was also reported from Ibn 'Abbas that the beast will both address the people and will cut them (injure, harm).

Abu Dawud At-Tayalisi recorded from Abu Hurayrah, may Allah be pleased with him, that the Messenger of Allah said: The beast will emerge from the earth, and with it will be the staff of Musa and the ring of Sulayman, peace be upon them both. It will strike the nose of the disbelievers with the staff, and it will make the face of the believer bright with the ring, until when people gather to eat, they will be able to recognize the believers from the disbelievers.

It will have **Prophet Musa's (as) staff** by its side...It will cry out aloud: "People have no longer deep-felt faith in our verses." Then it will stamp the believers and unbelievers alike (it will become a means for us to recognize believers and unbelievers)(Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

It will possess the Prophet Musa's (as) staff: (It means the white feather stick of Peacock feather having a single round ring like structure at its end. It's the Peacock feather).

It will stamp believers and unbelievers alike: It means those who deny Allah's signs will be ashamed after seeing the Peacock's speaking for Mahdi. And those who believed him will be happy & thankful to Allah.

"It will encounter **a believer and it will illuminate his face when it stamps it.** When it stamps the disbeliever it will turn as black as pitch." (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

Note:-Beliefs of the believers will strengthen, who come across with the evidence of the existence of Allah, verses of Quran, works

featuring the Islamic moral values and the seal of our Prophet (saas) when they see it certifying Jesus Christ the Mahdi.

It will approach someone performing his daily prayer (salat) and **stamp** him between his eyes **with the seal of a liar** saying: "This prayer of yours has not been established, because you are a liar and an utter hypocrite. " (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

Hypocritical people who distort their tongues by quasi bringing the Qur'an as a witness, acting in a way as if they were devout although opponents of the Qur'an; are being answered and it's being made clear that they are liars.

Related above upon the remembrance of the declaration that it will **kill the satan** (eradicate it ideologically). (Al-Barzanji, Al-Isha'ah li-ashrat al-sa'ah)

Thus we asked: O Amirul Momineen (a.s.), what would that be? He replied, "**Daabbatul Arz will emerge from Mt. Safa**. He shall be having the seal ring of Prophet Sulaiman (a.s.). When that ring would be touched on the face of a believer, it would brand him to be a true believer. And when it is touched on the face of an infidel it would clearly mark that he is really a disbeliever. So much so that the believer will say to the infidel, "Hell is ordained for you, O infidel." And the disbeliever will say to the believer, "Tooba is ordained for you, O believer. Alas! If I were also successful and delighted with you this day."

Thus when the Daabba raises his head he would, by the permission of Allah, the Mighty and Sublime be able to see whatever is present between the east and the west (Note:-It's through internet). And it would be at a time when the Sun will rise from the west. At that time the time for repentance would be over and no repentance would be accepted from anyone. Neither would any deed rise up to the heavens as mentioned:...its faith shall not profit a soul which did not believe before, or earn good through its faith..."

Huzaifah has narrated from the Messenger of Allah (s.a.w.s.) that he said: Dabbatul Ardh will **be seventy cubits in length** (it

metaphorically points to 70 inches) and he will move at such speed that no one will be able to catch him. He will mark the foreheads of the believers that they are believers and mark the forehead of the disbelievers that they are disbelievers. He will have the staff of Prophet Musa (a.s.) and the ring of Prophet Sulaiman (a.s.). He will mark the faces of the believers with the staff and the noses of the disbelievers with the ring, seeing which all will be addressed as: 'O believer' and 'O disbeliever'.

Wahab has said that the face of the Dabbatul Ardh will be human and the body will be that of a bird. After that the Almighty Allah has said: ". . .shall talk to them ..." (Surah Naml 27:82)

That is he will talk to the people about that which they would not like (It means people will not like its certification for the Jesus Christ Mahdi). He will talk to them in a tongue, which they could understand and say: All of them are destined to Hell. It is also said that he will say: He is a believer and he is a disbeliever. He will tell the people: "...people did not believe in Our Aayaats (*It means Peacock will certify Jesus Christ's statements by speaking in its own tongue. Here aayaats pertaining to end means "Jesus Christ Mahdi. I have already proved above"*)." (Surah Naml 27:82)

30- Tafsir Qummi: Ubayy has narrated from Ibne Abu Umair from Abu Basir from Imam Ja'far Sadiq (a.s.) that he said: "Once the Messenger of Allah (s.a.w.s.) came to Amirul Momineen (a.s.) while the latter was asleep in the mosque; he had made a heap of sand and rested his head on it. The Holy Prophet (s.a.w.s.) shook his leg and said: "O Daabbatullaah! Get up!" A companion who witnessed this asked, "O Messenger of Allah (s.a.w.s.)! Shall we address each other with this name?" He replied, "No, by Allah it is restricted only for him (Ali) and he is the Daabba that Allah has mentioned in His book. . ."

Thus Allamah Zamakhshari has written in Tafsir Kashaf that: The Daabba will come to from Mount Safa and he will be having the staff of Prophet Musa (a.s.) and the ring of Prophet Sulaiman (a.s.) and he will mark the foreheads of the believers with the staff of Musa (a.s.) and a white spot will appear on his forehead like a shining star and it

will be written on his forehead that he is a believer. In the same way, he will mark the noses of the disbelievers and a black spot will develop, which will make his whole face black and it will be written on his forehead that he is a disbeliever. After that he writes that "Tukallimahum" is also read as "Tukallamahum" which means 'to injure' that is he will injure them (*it means spiritually injuring also*), but it also implies marking with the staff or the ring.

Abu Huraira said: "Three things that once they occur, the soul will not benefit from believing (in God) if it did not believe before ... (verse 6:158): the Dajjal (Anti-Christ), Daabba (Beast), and Sun rise from the West." (Tirmizi and Al-Albani)

38- Ikmaaluddin: It is narrated from Ibnul Walid from Saffar from Ibne Yazid from Ibne Abu Umair from Aban bin Uthman from Aban bin Taghlib that Imam Ja'far Sadiq (a.s.) said:

"When the Qaim (a.s.) reappears, there will be **a sign for every person by which he would recognize whether he is righteous or an evil-doer.** And in it is the sign for those who possess reason and it is the right path." **(It must be daabbatul ard)**

Note:-Staff of Moses (s) is just a symbol of Daabbatul Ard's miracle. The sign which will distinguish between a true believer & unbeliever as per hadiths is the sign of daabbatul ard only.

(Note:-Here similarities of daabbatul ard's emergence like Moosa (a) is mentioned.)

19- Basairud Darajaat: It is narrated from Salma bin Khattab from Abdullah bin Muhammad from Mani bin Hajjaj Basri from Majashe from Mualla from Muhammad bin Faiz from Muhammad bin Ali (a.s.) that he said:

“The staff of Prophet Musa (a.s.) initially belonged to Prophet Adam (a.s.); after whom it reached to Prophet Shuaib (a.s.). After that it came in the possession of Prophet Musa (a.s.). It is now in our possession and it is still fresh as if it is just detached from a tree. When it is spoken to, it responds. It is kept for our Qaim (a.s.). He would perform all the tasks through it that Musa (a.s.) had performed. And it would do whatever it is appointed to. When it moves forward, it devours all the deceptions. Its two lips would be so huge that when it opens its mouth, one lip touches the floor and the other touches the ceiling. There is a distance of forty hands between the two lips. It would devour anything that comes before it.”

Mufaddal says,After that a walking creature (**Daabba**) will appear between the Rukn and Maqam and he will write on the forehead of the believer that he is a believer and mark the forehead of an infidel that he is an infidel.

It is narrated from Ibne Umar and it is also said that there will be no believer that he does not touch and no hypocrite will remain whose nose he does not mark and he will come out on Friday eve, when people will be heading to Mina.

Note:-All creatures are daabbat. Ali (rz) is not particular Quran 27:82 Daabbatul Ard . It is proved from below given hadiths.

120- Kanz Jamiul Fawaid: Muhammad bin Abbas narrated from Ja'far bin Muhammad bin Husain from Abdullah bin Abdur Rahman from Muhammad bin Abdul Hamid from Mufaddal bin Salih from Jabir from Abu Abdullah Jadali who said:

One day I went to Ali Ibne Abi Talib (a.s.) and he said: "I am the Dabbatul Ardh."

Among the signs regarding the reappearance of Imam Qaim (a.s.) mentioned by Amirul Momineen (a.s.) is the mention of the killing of Dajjal, after which he said: "Know that, after this is Tammatul Kubra."

"We asked what is Tammatul Kubra, O Amirul Momineen (a.s.)?"

He replied: "The Dabbatul Ardh will appear near the Safa mountain. He will have the ring of Sulaiman and the staff of Musa (a.s.). He will touch that ring to the forehead of every believer and it will be imprinted that he is really a believer and when he touches the forehead of the infidels, it will show that he is really a Kafir etc."

- 6) **It will be Angel Jibrael (a) who will first pledge alliance to Mahdi in the form of white Bird & before it no one from outside the family of Mahdi would have pledged alliance to Mahdi. Allah will bring it out for distressed Mahdi. Allah will answer to call of Mahdi through angel Jibrael in the form of Daabbatul Ard the Peacock certifying Quran 27:62 & Biharul Anwar hadiths. None will be able to know about it except true Mahdi. All mankind will be able to see it & hear it's speaking for Mahdi. Allah will answer to Mahdi through Daabbatul Ard when he calls in distress to Allah after offering 2 & 2 units of forenoon prayers totaling 4 units & delivering a unique sermon which none has delivered before. It will be angel Jibrael (a) sitting on a niche in the form of a Bird (here in hadiths "white" is not mentioned because while sitting it won't appear white) for Mahdi during pledging alliance to him. It will be first to pledge alliance to Mahdi & then angel Mikayeel (a) will pledge alliance to Mahdi followed by 24 continuous special rains. Only 13 persons & 2 more Hindus (Romans) will be eye witnesses for its emergence first. It's speaking will be heard in between the house of Mahdi &**

the black stone on safa like hill. Mahdi will lean on black stone giving sermon to his followers during its emergence. All other animals, birds & other creatures present nearby will also shout along with Daabbatul Ard. Their shoutings will mean “do not hasten for the end, it’s very near now”. It will keep one leg on this mosque & other on the place of standing (Rukn) while pledging its alliance to Mahdi (This metaphorically means it will pledge alliance to Mahdi in between the mosque & house of Mahdi). There will be a mosque on the one corner with a wall on western side beside Mahdi’s house which will be demolished by the evil gang of hypocrite Muslims. This mosque is metaphorically called as kaaba (house of Allah). It will be the 6th major sign of world’s end. After this 300 persons more will join him from among Jins, angels & mankind totaling 313 equal to the number of Badr War participants.

Reference:- Thus we asked: O Amirul Momineen (a.s.), what would that be? He replied, “**Daabbatul Arz will emerge from Mt. Safa.** He shall be having the seal ring of Prophet Sulaiman (a.s.). When that ring would be touched on the face of a believer, it would brand him to be a true believer. And when it is touched on the face of an infidel it would clearly mark that he is really a disbeliever. So much so that the believer will say to the infidel, “Hell is ordained for you, O infidel.” And the disbeliever will say to the believer, “Tooba is ordained for you, O believer. Alas! If I were also successful and delighted with you this day.”

Thus when the Daabba raises his head he would, by the permission of Allah, the Mighty and Sublime be able to see whatever is present between the east and the west (Note:-It’s through internet). And it would be at a time when the Sun will rise from the west. At that time the time for repentance would be over and no repentance would be accepted from anyone. Neither would any deed rise up to the heavens as mentioned:...its faith shall not profit a soul which did not believe before, or earn good through its faith...”

2- Ilalush Sharai: My father has narrated from Muhammad Attar from Ashari from Musa bin Umar from Ibne Sinan from Abu Saeed

Qammat from Bukair bin Ayyan from Imam Ja'far Sadiq (a.s.) that he said about Hajar Aswad and the pillar in which it is placed: "From the same pillar will descend a bird upon Imam Qaim (a.s.) and he will be the first to pledge allegiance to him. I swear by Allah that the bird, in fact, is His Eminence, Jibraeel (a.s.). Imam Qaim (a.s.) will be leaning on the wall. And he is the proof for the Qaim. Anyone who goes before him will testify for Imam Qaim (a.s.) in his presence."

18- Ikmaaluddin: It is narrated from Ibne Walid from Saffar from Ibne Yazid from Ibne Abu Umair from Aban bin Uthman from Aban bin Taghlib from Imam Ja'far Sadiq (a.s.) that he said: "The first to pledge allegiance to Qaim (a.s.) is Jibraeel, who would come down in the form of a white bird and give him an oath of allegiance."

Then keeping one foot on the Holy Kaaba and another on the Holy Qods issue such a **loud call** (it means Speak aloud as mentioned in Quran 27:82) that when the creatures hear it, they would cry: "Allah's commandment has come, therefore do not desire to hasten it." [17]

White Bird was supposed to emerge or speak from the same place as happened. Black Stone will be on western side facing from the Mahdi's house the Eastern side of Kaaba where Black stone is affixed will be facing towards the East from where the sun rises. Remember the Daabbatul Ard Peacock which will be big proof for Mahdi used to sit on the Black rock facing east & spoke for Mahdi on his calls.

(Note:- If Allah just wanted to show the name of the bird pledging alliance to Mahdi irrespective of colour then he might have showed a white peacock to prophet Mohammed (s) who was supposed to pledge alliance to Mahdi first. The descriptions in various hadiths gave the colorful peacock as Daabbatul ard but the words of Biharul Anwar hadiths gave the name as white Bird to it (a white peacock). This white bird means a Peacock. It means white Peacock represented the name of the Bird but not its actual white colour & other descriptions of its color represented a colorful Peacock

but not the white Peacock. And angel Jibrael (a) adopted the colorful Peacock form to pledge alliance to Mahdi first. This is how the prophecy was in riddle form which confused entire mankind. So there is wisdom of Allah hidden in creation of white peacock also. Quran said an animal from earth will speak for the Mahdi & Hadiths said that Bird will be first to pledge alliance to Mahdi. Both statements of hadiths matched for Mahdi. So this white Bird is none other than the animal mentioned in Quran 27:82. And 2 Esdras 1 replaced the Israel with land of edomites the India. And Israel's national bird Hoopoe is now replaced with the Indian National Bird the Peacock.)

63- Al-Kafi: It is narrated from Muhammad bin Yahya etc. from Muhammad bin Ahmad from Musa bin Umar from Muhammad bin Sinan from Abu Saeed Qummat from Bukair bin Ayyan that he said: "I asked Imam Ja'far Sadiq (a.s.): Why is the Hajar Aswad placed at that particular pillar of Kaaba and why it was not placed at another pillar?

He replied: The Almighty Allah has placed it there, it is in fact a stone that the Almighty Allah had sent to Adam (a.s.) in Paradise and because of the renewal of covenant it was placed near that pillar. Because when the Almighty Allah took covenant from human beings when they were in the loins of their progenitors it was taken at this same place. **And on this same spot a bird will descend for Imam Qaim (a.s.) and will be the first to pledge allegiance for him and by Allah, he will be Jibrael and on the same spot Imam Qaim would stand resting his back. And it is a proof for Imam Qaim (a.s.)."**

Note:-Mahsher (place of Judgement) will be on same place of daabbatul ard. It is also called as Lalish valley among Yazidis. Because Haakim Aadil (Judge) is Jesus Mahdi who judges cases. As per Bible also Jesus second is called as Judge.

74- Kharaij: It is narrated from Saad from Yaqtini from Safwan from Abu Ali Khurasani from Aban bin Taghlib from Imam Ja'far Sadiq (a.s.) that he said: "As if I can see a bird perching on Hajar Aswad and a man has appeared below it, who is judging cases like Prophet Dawood and Sulaiman (a.s.) without asking for evidence."

91- Tafsir Ayyashi: It is narrated from Abdul Alaa Halabi that Imam Muhammad Baqir (a.s.) said with reference to the qualities of Imam Qaim (a.s.) and the practice of His Eminence during the period of his reappearance:

Note:- This hadiths proves that the scenes of Nuh, Ibrahim, Musa, Isa & Mohammed (s) will happen in life of Mahdi. The same thing is seen in Quran alahzab verse 7 about the covenant from all these below given 5 prophets. It is interlinked with Alimran 81 also.

"Imam Qaim (a.s.) will go into occultation from one of these passes and he pointed out to Zeetawa. Then he said: When two days remain from his rising, one of his special servants would come to his particular companions and ask: How many of you are there? He would reply: We are forty people. Then he will ask: What will you do if you see your Sahibul Amr? They will reply: If he goes from here and takes refuge at any mountain, we would also be with him. On the following night he would come and say: You may discuss among your friends. When they reach consensus and come with him the servant will bring them to the Imam. He would promise to them about the coming night. Then Imam Muhammad Baqir (a.s.) said: By Allah, as if I can see the Qaim leaning on Hajar Aswad and adjuring the people in the name of Allah and saying: O people, whoever argues with me about **Allah**, I am the worthiest of Allah. Whoever argues with me about **Adam**, I am the worthiest of Adam. Whoever argues with me about **Nuh**, I am the worthiest of Nuh. Whoever argues with me about Ibrahim, I am the worthiest of **Ibrahim**. Whoever argues with me about **Musa**, I am the worthiest of Musa. Whoever argues with me about Isa, I am the worthiest of **Isa**. Whoever argues with me about Muhammad (s.a.w.s.), I am the worthiest of **Muhammad** (s.a.w.s.). Whoever argues with me about the Book of the Almighty Allah, I am the worthiest of the Book of Allah. After that he will go to the Place of Ibrahim and pray two units of prayer and adjure the people in the name of Allah. Imam Muhammad Baqir (a.s.) then said: "Or, Who answers the distressed one when he

calls upon Him and removes the evil, and He will make you successors in the earth. " (Surah Naml 27:62) . In this verse, the word of 'distressed' denotes Imam Qaim (a.s.). After that first of all Jibraeel will pledge allegiance to him in the form of a bird perching on the niche; followed by three hundred and some persons (Note:-This means already Mahdi will be with 13 persons when the Bird pledges alliance before 300 persons).

(My Note: - *The slaughters, the Arabs, Muqam Ibrahim, Meccans etc are metaphorical which points to their attributes but not literal. These prophecies are tough sealed codes & hard for common man to understand. Here Meccan's means the people of the village where Mahdi lives, the Muqam Ibrahim means the "place of the Mahdi with who is father of many children" because the name Ibrahim means "father of many children". Arabs means ignorant Muslims & slaughter of Nafse Zakiya means the spiritual death of Mahdi's companion by evil gang between the place of standing & the house of Mahdi. Very intelligent people Bani are needed to understand these tough codes on my explanations. And as per holy books those intelligent people are the Bani Israel who are caught under the deception of Maseeh Dajjal Mirza Ghulam Ahmad & his vice-regents. And Allah sent me as a savior among that group who have been practicing the signs of Messiah since long upon a false Messiah Mahdi Mirza Ghulam Ahmad the Main Maseeh Dajjal. And it not so easy even for all of them but only few of them can understand it insha allaah. It's 100% proved that Daabbatul Ard is revealed as Peacock.*

Hadiths:- He will produce the treasures of Jerusalem, the Ark of the Covenant, the table of the People of Israel and the tablets, the robe (jubba) of the Prophet Adam (as), the staff of the Prophet Solomon (as) and the milk-white glove (*like metaphorical Nectar the hidden ultimate truth the wisdom of holy books*) sent by Allah to the People of Israel. (Ibn Hajar al-Haythami, Al-Qawl al-Mukhtasar fi `Alamat al-Mahdi al-Muntadhar, p. 33))

81- It is narrated from the same chains directly from Abu Basir from Imam Muhammad Baqir (a.s.) that he said in a lengthy tradition: "Imam Qaim (a.s.) will address his men: O people, these Meccans are not willing to submit, but I will send an envoy to them to exhaust the argument on them.

Then he will call one of his men and say: Go to the Meccans and say: I am the envoy of so-and-so who says: I am the Ahle Bayt of mercy and the mine of prophethood and caliphate. I am the essence of the progeny of Muhammad and other prophets. Since our Holy Prophet (s.a.w.s.) passed away, we have been continuously oppressed. We have been suppressed and our rights were trespassed. We seek help from you, please help us.

When the envoy conveys this message, they will apprehend and slaughter him between Rukn and Maqam and he is the same Nafse Zakiyya. When this news reaches Imam Qaim (a.s.) he would tell his men: Did I not say that these Meccans will not accept us? Then he would take 313 men and descend from

the Tawa pass and reach the Sacred Mosque. He will pray four units of prayers at Maqam Ibrahim and then leaning on Hajar Aswad, would praise and glorify the Almighty. He will mention the name of the Messenger of Allah (s.a.w.s.) and invoke blessings on him. Then he would deliver a sermon none has delivered before.

After this sermon, the first to pledge allegiance to him would be Jibraeel followed by Mikaeel. And along with them the Messenger of Allah (s.a.w.s.) and Amirul Momineen (a.s.) will also arise. The Holy Prophet (s.a.w.s.) would give a new book to Imam Qaim (a.s.), which would be very tough on the Arabs and it would bear a fresh seal. He will say to the Qaim: Act according to whatever is mentioned therein. Then 300 of his men and some people from Mecca will pledge allegiance to him.

156- Ghaibat Nomani: It is narrated from Ali bin Ahmad from Ubaidullah bin Musa from Harun bin Muslim from Masadah bin Sadaqah from Abdul Hamid Tawil from Imam Muhammad Baqir (a.s.) regarding the verse:

"Or, Who answers the distressed one when he calls upon Him and removes the evil, and He will make you successors in the earth. " (Surah Naml 27:62)

"This verse is revealed about the Qaim (a.s.) and Jibraeel who sits on the **spout in the form of a bird**. Jibraeel will be the first to pay

allegiance to the Qaim and then the three hundred and thirteen companions will pledge allegiance. Those (of the Qaim's companions), who are able to travel will arrive in time and those who cannot would disappear from their beds. It is the same that is mentioned in the saying of Allah: "Therefore hasten to (do) good works; wherever you are, Allah will bring you all together. " (Surah Baqarah 2:148)

Imam Sadiq (a): "The first person who will pledge allegiance with the Qa'im (a) will be Gabriel who will ascend in the form of a white bird. He will then put one of his feet on the Ka'bah (Note:-Metaphorically the Mosque of Allah) and the other on Bayt al-Muqaddas and will call in Fasih and eloquent Arabic in such a way that all of the creation will hear him. He will state that the command of Allah has come; race toward it." (Bihar al-Anwar, v.52, p.286)

63- Al-Kafi: It is narrated from Muhammad bin Yahya etc. from Muhammad bin Ahmad from Musa bin Umar from Muhammad bin Sinan from Abu Saeed Qummat from Bukair bin Ayyan that he said:

"I asked Imam Ja'far Sadiq (a.s.): Why is the Hajar Aswad placed at that particular pillar of Kaaba and why it was not placed at another pillar?

He replied: The Almighty Allah has placed it there, it is in fact a stone that the Almighty Allah had sent to Adam (a.s.) in Paradise and because of the renewal of covenant it was placed near that pillar. Because when the Almighty Allah took covenant from human beings when they were in the loins of their progenitors it was taken at this same place. And on this same spot a bird will descend for Imam Qaim (a.s.) and will be the first to pledge allegiance for him and by Allah, he will be Jibraeel and on the same spot Imam Qaim would stand resting his back. And it is a **proof for Imam Qaim (a.s.).**"

Imam Muhammad Baqir (a.s.) then said:

"Or, Who answers the distressed one when he calls upon Him and removes the evil, and He will make you successors in the earth." (Surah Naml 27:62)

In this verse, the word of 'distressed' denotes Imam Qaim (a.s.).

After that first of all Jibraeel will pledge allegiance to him in the form of a bird perching on the niche (Note:-it means the White Bird will sit on a Black rock will certify Mahdi's claim as true); followed by three hundred and some persons (Note:-This includes angels,Jins & few true humans the believers as per other hadiths).

Then Imam Muhammad Baqir (a.s.) said: Thus one who is capable to travel to him will immediately come to him and one who can't will be taken away from his bed at night. And it is with regard to them that Amirul Momineen (a.s.) has said: It is these who would disappear from their beds and the Almighty Allah has said:

"Therefore hasten to (do) good works; wherever you are, Allah will bring you all together." (Surah Baqarah 2:148)

- 7) **It will emerge from a Safa like Hill from eastern side of the Mahdi's house just like Marwa which will be on other corner of the Safa hill with 980-1400 feet distance. There will be slope from Safa Hill towards the house of Mahdi just Safa & like Marwah places of Makkah. This will be a rectangular plot with measurements equal to Safa & Marwah places of Makkah. It will keep its leg on black stone & speak from behind the boxthorn & berry's trees just like the angel Jibraeel (s) who appeared for Moses (a). The two corners of this rectangular area are called as Rukn & Muqam metaphorically in hadiths. And Mahdi's house as mosque sahla the house of Ibrahim (a) (which means the house of many children's father).**

There will be mountains & sand around the place of its emergence. There will be roots in the soil of Daabbatul ard's emergence place. It will be a deserted little area away from village's centre. It will be a small area the valley & it will drive people to the field of gathering (Mahsher) for judgment.

Place of the Appearance of the Beast:

The Beast will appear away from Makkah according to a saying from the Prophet. Baridah said: "The Prophet (sallallahu alayhe wa sallam) took me to a place in the desert, near Makkah. It was a dry piece of land

surrounded by sand. The Prophet (sallallahu alayhe wa sallam) said, 'The Beast will emerge from this place. It was a very small area. There was a root also through which daabbatul ard was supposed to emerge. " (Reported by Ibn Majah in his Sunan.)

And it is narrated from Muhammad bin Kaab Qurzi that Imam Ali (a. s.) was asked about Dadbatul Ardh and he said: That Daabba will not have a tail, on the contrary he will be having a beard and this reply implies that he will be human.

Ibne Abbas has narrated that he will be a quadruped of the earth. His body will have fur and hair and he will have four legs.

Huzaifah has narrated from the Messenger of Allah (s.a.w.s.) that he said: Dabbatul Ardh will **be seventy cubits in length**(it metaphorically points to 70 inches) and he will move at such speed that no one will be able to catch him. He will mark the foreheads of the believers that they are believers and mark the forehead of the disbelievers that they are disbelievers. He will have the staff of Prophet Musa (a.s.) and the ring of Prophet Sulaiman (a.s.). He will mark the faces of the believers with the staff and the noses of the disbelievers with the ring, seeing which all will be addressed as: 'O believer' and 'O disbeliever'.

It is also narrated from the Messenger of Allah (s.a.w.s.) that Dabbatul Ardh will come out three times. The first time he will come out from the side of Medina (A little away from city, in a deserted area) and his news will spread all over the desert (remote deserted area); but his news will not reach Mecca (it means its news will not reach the village of Mahdi). Then he will live for a long time and after that the second time he will come out at Mecca; at that time his news will spread in the whole desert and also in Mecca (Its news will reach even to the village of Mahdi & also the deserted remote place from where it spoke). Then one day people will come to Masjidul Haraam and he will not threaten them and remain in the corner of the Masjid and even if he comes near, people will run to the right between Hajar Aswad and between Bani Makhzum and he will pass through the people dusting his head (these people are family of Mahdi & Peacock passed dusting its head without threatening

by shouting). His face would be shining like a brilliant star. Then he will enter the earth (it means it shall die or go back into earth if its an angel from earth or hide itself in the earth's cave or under rocks) and no will be able to get him and people will stand up to pray to get refuge from him (people won't be able to find him physically but also wish that its speaking to be removed through internet youtube videos). He will approach them from the rear and say: O so and so, you are praying now (its speaking through youtube videos only as already it has gone back physically but still remains in videos)? He will mark the faces of the people, which will distinguish the believers and disbelievers. Now people will address each other as: 'O believer' and 'O disbeliever'.

Biharul Anwar Hadiths say that

Mahdi will give a sermon claiming himself to be imam hasan, hussain, ali then in continuation of it it is also narrated ..

After that a walking creature (Daabba) will appear between the Rukn (metaphorically it means the Black stone which are there on Safa like Hill) and Maqam (Metaphorically The place of Ibrahim which means the place of Mahdi who will have many children. Meaning of Ibrahim =Father of many Children) and he will write on the forehead of the believer that he is a believer and mark the forehead of an infidel that he is an infidel.

48- Ghaibat Tusi: It is narrated from Ibne Faddal from Hammad from Husain bin Mukhtar from Abu Nasr from Aamir bin Wathila from Amirul Momineen (a.s.) that he said: The Messenger of Allah (s.a.w.s.) said: "Ten things are inevitable before Judgment Day: Sufyani, Dajjal, Smoke, Daabba, advent of the Qaim, rising of the sun from the west, splitting of the earth in the east, descent of Isa (a.s.) (later hadiths confirmed Qaim (Mahdi) & Jesus to be same), splitting of the earth in the Arabian Gulf, **rising of a fire from the sea of Adn which will herd the people towards the field of gathering (Mahsher).**" **(Note:-From this hadiths we come to know that the fire & Daabbatul ard both will drive people to the Mahsher which is the same place of daabbatul ard. Because in other hadiths it is written that daabbatul ard will drive people to mahsher)**

Ali bin Mahziyar Ahwazi 6- Ghaibat Tusi: It is narrated from a group of scholars from Talakbari from Ahmad bin Ali Raazi from Ali bin Husain from a man from Qazwin from Habib bin Muhammad bin Yunus bin Shazan Sanani that he said:

I asked: When will this reappearance be (Mahdi's re-appearance)? He replied: When you would be denied access to Kaaba. When the **sun and the moon come together and will be surrounded by planets and stars**. I asked: Son of the Messenger of Allah, when will this come about? He replied: In so-and-so year, when Dabbatul Ardh will appear between Safa and Marwah. Who would be having the staff of Prophet Musa (a.s.), the ring of Prophet Sulaiman (a.s.). He **will usher the people to the field of gathering***(Note:-This points to the Mahsher which is also called as Lalish Valley of Judgement among Yezidis of Iran. This also means that the place of Daabbatul Ard's emergence shall be the shelter for world. It means the house of Mahdi in Nalgonda District, Bhongir).*

120- Kanz Jamiul Fawaid: Muhammad bin Abbas narrated from Ja'far bin Muhammad bin Husain from Abdullah bin Abdur Rahman from Muhammad bin Abdul Hamid from Mufaddal bin Salih from Jabir from Abu Abdullah Jadali who said:

One day I went to Ali Ibne Abi Talib (a.s.) and he said: "I am the Dabbatul Ardh."

Among the signs regarding the reappearance of Imam Qaim (a.s.) mentioned by Amirul Momineen (a.s.) is the mention of the killing of Dajjal, after which he said: "Know that, after this is Tammatul Kubra."

"We asked what is Tammatul Kubra, O Amirul Momineen (a.s.)?"

He replied: "The Dabbatul Ardh will appear near the Safa mountain. He will have the ring of Sulaiman and the staff of Musa (a.s.). He will touch that ring to the forehead of every believer and it will be imprinted that he is really a believer and when he touches the forehead of the infidels, it will show that he is really a Kafir etc."

- 8) **It's emergence is for the certification of Hoopoe (Hud Hud)'s speaking to prophet Sulaiman (a). Quran narrated the story of a bird's speaking to him & hence the prophecised animal should also be a Bird equal in status. Quran, Hadiths, Bible, Hinduism books confirmed the coming of Mahdi from A.P., Hyderabad, India. And hence the national bird of Israel is Hoopoe (Hud Hud) & the national bird of India is Peacock. It is also proved from Quran's numerical codes.**
- 9) **It will be a big miracle for Mahdi to approach Maseeh Dajjaal the latest splendid pharaoh. The Maseeh Dajjaal's claims of Daabbatul Ard will be swallowed by the true Daabbatul Ard's miracle presented by Mahdi. First Maseeh Dajjaal would have presented this miracle as a fraud to public & then Mahdi will present this miracle just like the Moosa (a)'s scene. Mahdi will be having the Daabbatul Ard's feathers which will be like the stick of Moosa (a) along with sulaiman (a)'s seal like structure on its end (*peacock feathers bunch & the miracle of Peacock's speaking as daabbatul ard*).**
- 10) **It will emerge in 2015 July Ramzan for first time, 2nd time during zilhaj Islamic month & then many times in same year. First it will emerge during forenoon, then on Friday evening & on different occasions. It will emerge in 3rd year of Mahdi's appearing publicly with announcement from sky through satellite news channel. It will be angel Jibrael (a) who will be managing all these affairs & hence the voice from news channel is considered as voice of Jibrael (a) metaphorically in hadiths. All the ladies will also hear it in their homes who will be in veils. This year will be 40th year of Mahdi's age after 1973 24th March & it's equal to 2012 A.D. So since 2012 A.D. Ramzan July the third year is 2015 Ramzan July. All the believers faces present there will be shining & smiling with happiness.**

- 11) After it's emergence all will run away from the spot except one group of believers only. And that group will be the Mahdi along with his own children. Their number will be 11 & 12th will be Mahdi himself.**
- 12) It will speak or answer the Mahdi's call in the local language of Mahdi. Its voice will be heard between earth & heavens. Its answer to Mahdi will mean "I am, I am, Here I am (Mai Oo, Mai Oon, Mai Yaa, Mai Yaa, Mai Ya Oo)" just like the words of Exodus 3:1-4:23 of Bible OT. It will appear after emergence of Maseeh Dajjaal & after mankind's unbelieving the true Mahdi despite of his many appeals. It will appear after the attacks upon Mahdi's shelter in a house, Bani Kalb incident & after demolition of Mahdi's house. It will emerge when Mahdi & his family will shift to a deserted place due to many difficulties. It will emerge after the death of Mahdi's wife in presence of 13 persons including children of Mahdi & 3 followers.**
- 13) It will be a national Bird of the country against the national bird of Israel the Hoopoe. Because as per 2 Esdras Bible OT Allah was supposed to replace State of Israel with another nation & hence the national Bird Hoopoe will also be replaced with another one. It will be a big mystery, riddle, puzzle for mankind & it will come out to speak when Mahdi will be unbelieved by the mankind. Isa son of Maryam the Mahdi Mahadev will be the signs "aayaats" of end days though being a single man with family. Daabbatul Minarl Arz (Animal from the earth) will be angel Jibraeel in the form of a white bird along with all colors in it. It will not be a newly created animal of Allah but already existing in the earth since creations. Only it will be revealed to mankind out of suspense which Allah have maintained through mysterious riddle form prophecies. It will be mainly considered as animal which mostly walks on ground. This animal will be beloved in all religions as for the certification of all prophets as per Quran 3:81. All religions are from Allah & his true prophets. All religions speak the true one Allah's existence with many names & attributes.**

(Note:-Peacock is seen 80% white while dancing with open feathers from backside)

- 14) Daabbatul Ard was supposed to emerge after appearing of Maseeh Dajjaal (with more than 100 signs of it), after construction of clock tower in Makkah, after death of King Abdullah of Saudi Arabia, after appearing of Kachina blue star, after four blood moons, after Bethlehem Star's appearance, after 3 Tsunamies in east, west & Indian Peninsula, after Messiah Mahdi (with more than 1290 signs), after Narendra Modi's appointment as P.M. of India & 5th Khalifa the 6th Maseeh dajjaal of Bani Israel (Ahmadiyya Muslims) Mirza Masroor Ahmad, after full telecommunication & internet development worldwide. It will be the proof for the Mahdi & a witness for the Mahdi's visitors. It will appear during the period of telecommunication where Mahdi will be able to see the world in hand. And a man of east will be able to see his brother in west. It will be period of internet, skype, youtube, Facebook, twitter, email, mobile phones etc.**
- 15) It will be angel in the form of Peacock who will pass on the blessings to Faqir Baba (the Messiah Mahdi Mahadev) for mankind. It will be angel Melek Taus who generally adopt the form of Rainbow (which appear like fire if concentrated at on place) or the Peacock for the chosen apostle of Allah. The Melek Taus will appear to a Muslim faqir Baba (Messiah Mahdi) after the inhuman killings of the oldest religious people Yezidis of Iran.**
